The failure of any owner of Bonds to receive notice given as provided in this Section, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Bonds. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given and shall become effective upon mailing, whether or not any owner receives such notice.

Section 305. Deposit of Redemption Price. On or prior to any redemption date, the County shall deposit with the Bond Trustee or with a Paying Agent, the moneys provided by the Corporation to pay the redemption price of all the Bonds which are to be redeemed on that date. Installments of interest with a due date on or prior to the redemption date shall be payable to the Owners of the Bonds registered as such on the relevant Record Dates according to the terms of such Bonds and the provisions of **Section 202**. If any Bond which is to be redeemed only in part shall be surrendered at the place of payment therefor (with, if the County or the Bond Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the County and the Bond Trustee duly executed by, the Owner thereof or such Owner's attorney or legal representative duly authorized in writing), the County shall execute and the Bond Trustee shall authenticate and deliver to the owner of such Bond, without service charge, a new Bond or Bonds of the same maturity of any authorized denomination or denominations as requested by such owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered. If the owner of any such Bond shall fail to surrender and present such Bond to the Bond Trustee for payment and exchange in the circumstances set forth above, said Bond shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

Upon the occurrence of an Event of Default for which the Bond Trustee has received notice or for which the Bond Trustee is required to take notice, the Bond Trustee shall, within 30 days give written notice thereof to all Bondowners.

- (d) *Suits to Protect the Trust Estate.* The Bond Trustee shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Bond Indenture and to protect its interests and the interests of the owners in the Trust Estate, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if

the enforcement of or compliance with such enactment, rule or order would impair the security under this Bond Indenture or be prejudicial to the interests of the owners or the Bond Trustee, or to intervene (subject to the approval of a court of competent jurisdiction) on behalf of the owners in any judicial proceeding to which the County or the Corporation is a party and which in the judgment of the Bond Trustee has a substantial bearing on the interests of the owners.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the County, a Member of the Obligated Group or any other obligor upon the Bonds or of such other obligor or their creditors, the Bond Trustee (irrespective of whether the principal of the Bonds shall then be due and payable, as therein expressed or by declaration or otherwise, and irrespective of whether the Bond Trustee shall have made any demand for the payment of overdue principal, premium or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

- (a) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Outstanding Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Bond Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Bond Trustee, its agents and counsel) and of the owners allowed in such judicial proceeding; and

Nothing herein contained shall be deemed to authorize the Bond Trustee to authorize or consent to or accept or adopt on behalf of any owner any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any owner thereof, or to authorize the Bond Trustee to vote in respect of the claim of any owner in any such proceeding.

Section 705. Limitation on Exercise of Remedies by Bondowners. No owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Bond Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Bond Trustee has been notified as provided in **Section 803** or of which by said section the Bond Trustee is deemed to have notice, (b) such default shall have become an Event of Default, (c) the owners of not less than 25% in aggregate principal amount of Bonds then Outstanding shall have made written request to the Bond Trustee, shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and shall have offered to the Bond Trustee indemnity as provided in **Section 802(e)**, and (d) the Bond Trustee shall thereafter fail or refuse to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; and such notification, request and offer of indemnity are hereby declared in every case, at the option of the Bond Trustee, to be conditions precedent to the execution of the powers and trusts of this Bond Indenture, and to any action or cause of action for the enforcement of this Bond Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more owners of the Bonds shall have the right in any manner whatsoever to affect, disturb or prejudice this Bond Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided, and for the equal benefit of the owners of all Bonds then Outstanding. Nothing in this Bond Indenture contained shall, however, affect or impair the right of any Bondowner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation to pay the principal of, redemption premium, if any, and interest on each of the Bonds to their respective owners at the time, place, from the source and in the manner expressed herein and in the Bonds or affect or interfere with the right of any owner to institute suit for the enforcement of any such payment. If the Bond Trustee receives conflicting directions from two or more groups of owners, each with combined holdings of not less than 25% of the principal amount of Outstanding Bonds, the directions given by the group of owners that holds the largest percentage of Bonds shall be the controlling and the Bond Trustee shall follow such directions to the extent required herein.

Section 706. Right of Bondowners to Direct Proceedings. Except as provided in **Section 705**, the owners of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Bond Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Indenture, or for the appointment of a receiver, custodian or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Indenture and provided, further, that the Bond Trustee shall have the right to decline to follow any such direction if the Bond Trustee in good faith shall determine that the proceedings so directed would involve it in personal liability for which it has not been indemnified.

Section 707. Application of Moneys in Event of Default. Any moneys held or received by the Bond Trustee (after the deductions for payment of costs and expenses of proceedings resulting in the collection of such moneys and costs and expenses of the County) together with any other sums then held by the Bond Trustee as part of the Trust Estate (other than the Rebate Fund), shall be applied in the following order, at the date or dates fixed by the Bond Trustee and, in case of the distribution of such

money on account of principal or premium, if any, or interest, upon presentation of the Bonds and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

- (a) First: To the payment of all amounts due the Bond Trustee under **Section 804**;
- (b) Second: To the payment of the whole amount then due and unpaid upon the Outstanding Bonds for principal and premium, if any, and interest, in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected by the Bond Trustee or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Bonds) on overdue principal and premium, if any, and on overdue installments of interest; and in case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid upon such Bonds, then to the payment of such principal and interest, without any preference or priority, ratably according to the aggregate amount so due; and
- (c) Third: To the payment of the remainder, if any, to the Corporation or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Whenever moneys are to be applied pursuant to this Section, such moneys shall be applied at such times and from time to time as the Bond Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Bond Trustee shall apply such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Bond Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the owner of any unpaid Bond until such Bond shall be presented to the Bond Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all of the Bonds and interest thereon have been paid under this Section, and all expenses and charges of the Bond Trustee and the County have been paid, and all amounts owing to the United States Government under Section 148 of the Internal Revenue Code have been paid, any balance remaining in the Debt Service Fund shall be paid to the Corporation as provided in **Section 405(e)**.

Section 708. Remedies Cumulative. No remedy by the terms of this Bond Indenture conferred upon or reserved to the Bond Trustee or to the Bondowners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bond Trustee or to the Bondowners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. In case the Bond Trustee shall have proceeded to enforce any right under this Bond Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every case the County, the Corporation, the Bond Trustee and the Bondowners shall be restored to their former positions and all rights hereunder, and all rights, remedies and powers of the Bond Trustee shall continue as if no such proceedings had been taken.

Section 709. Waivers of Events of Default. The Bond Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal upon the

written request of the owners of at least a majority in aggregate principal amount of all Bonds then Outstanding in the case of any default; provided that there shall not be waived without the consent of the owners of all the Bonds Outstanding (a) an Event of Default in the payment of the principal of any Outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless, prior to such waiver or rescission of the Event of Default referred to in (a) or (b) above, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect to which such default shall have occurred, and all arrears of payments of principal when due, as the case may be, and all expenses of the Bond Trustee in connection with such default shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Bond Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every case the County, the Corporation, the Bond Trustee and the Bondowners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE VIII

THE BOND TRUSTEE

Section 801. Acceptance of Trusts; Certain Duties and Responsibilities. The Bond Trustee accepts and agrees to execute the trusts imposed upon it by this Bond Indenture, but only upon the following terms and conditions:

- (a) Except during the continuance of an Event of Default,
 - (1) the Bond Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Bond Indenture, and no implied covenants or obligations shall be read into this Bond Indenture against the Bond Trustee; and
 - (2) in the absence of bad faith on its part, the Bond Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Bond Trustee and conforming to the requirements of this Bond Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Bond Trustee, the Bond Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Bond Indenture.
- (b) If an Event of Default has occurred and is continuing,
 - (1) the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances; and
 - (2) in the absence of bad faith on its part, the Bond Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Bond Trustee and conforming to the requirements of this Bond Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Bond Trustee, the Bond Trustee shall be under a

duty to examine the same to determine whether or not they conform to the requirements of this Bond Indenture.

- (c) No provision of this Bond Indenture shall be construed to relieve the Bond Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that
 - (1) this Subsection shall not be construed to limit the effect of **Subsection (a)**;
 - (2) the Bond Trustee shall not be liable for any error of judgment made in good faith by an authorized officer of the Bond Trustee, unless it shall be proved that the Bond Trustee was negligent in ascertaining the pertinent facts;
 - (3) the Bond Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the owners of a majority in principal amount of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee, under this Bond Indenture; and
 - (4) no provision of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.
- (d) Whether or not therein expressly so provided, every provision of this Bond Indenture relating to the conduct or affecting the liability of or affording protection to the Bond Trustee shall be subject to the provisions of this Section.

Section 802. Certain Rights of Bond Trustee. Except as otherwise provided in **Section 901**:

- (a) The Bond Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.
- (b) The Bond Trustee shall be entitled to rely upon a Certificate of Corporation Representative as to the sufficiency of any request or direction of the Corporation mentioned herein, the existence or non-existence of any fact or the sufficiency or validity of any instrument, paper or proceeding, or that a resolution in the form therein set forth has been adopted by the governing board of the Corporation and is in full force and effect.
- (c) Whenever in the administration of this Bond Indenture the Bond Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Bond Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of Corporation Representative.

- (d) The Bond Trustee may consult with counsel, and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Bond Trustee hereunder in good faith and in reliance thereon.
- (e) Notwithstanding anything elsewhere in this Bond Indenture contained, before taking any action under this Bond Indenture, the Bond Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all reasonable costs and expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.
- (f) The Bond Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Bond Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Bond Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Corporation, personally or by agent or attorney.
- (g) The Bond Trustee assumes no responsibility for the correctness of the recitals contained in this Bond Indenture and in the Bonds, except the certificate of authentication on the Bonds. The Bond Trustee makes no representations to the value or condition of the Trust Estate or any part thereof, or as to the title thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Bond Indenture or of the Bonds. The Bond Trustee shall not be accountable for the use or application by the Corporation of any of the Bonds or the proceeds thereof or of any money paid to or upon the order of the Corporation under any provision of this Bond Indenture.
- (h) The Bond Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the County or the Corporation with the same rights it would have if it were not Bond Trustee.
- (i) All money received by the Bond Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received. Money held by the Bond Trustee in trust hereunder need not be segregated from other funds except to the extent required by law or by this Bond Indenture. The Bond Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the County or the Corporation.
- (j) The Bond Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Bond Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.
- (k) The Bond Trustee may elect not to proceed in accordance with the directions of the owners without incurring any liability to the owners if in the opinion of the Bond Trustee such direction may result in liability to the Bond Trustee, in its capacity as bond trustee or in an individual capacity, for which the Bond Trustee has not received indemnity pursuant to **Section 802(e)** from the owners, and the Bond Trustee may rely upon an

Opinion of Counsel addressed to the County and the Bond Trustee in determining whether any action directed by owners or the County may result in such liability.

- (l) Notwithstanding any other provision of this Bond Indenture to the contrary, any provision intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Bond Trustee shall be interpreted to include any action of the Bond Trustee whether it is deemed to be in its capacity as Bond Trustee, Bond Registrar or Paying Agent.
- (m) The Bond Trustee shall not be liable to the Corporation, any holder, any owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with this Bond Indenture. The Bond Trustee shall not be liable to the Corporation for any loss suffered as a result of or in connection with any investment of funds made by the Bond Trustee in good faith as instructed by or approved by the Corporation Representative. The Bond Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any owner in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.
- (n) The permissive right of the Bond Trustee to do things enumerated in this Bond Indenture or the Loan Agreement shall not be construed as duties. The Bond Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its negligence or bad faith in the performance of those express duties.
- (o) The Bond Trustee shall not be required to give any bond or surety in respect of the execution of the said trust and powers or otherwise in respect of this Bond Indenture.
- (p) The Bond Trustee shall have no duty to inspect or oversee the construction or completion of the Project or to verify the truthfulness or accuracy of the certifications made by the Corporation with respect to the Bond Trustee's disbursements for costs of the Project in accordance with the Bond Documents.
- (q) Without limiting the duties of the Bond Trustee expressly set forth herein, the Bond Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of any of the Bonds or the interest thereon; (ii) the consequences of the investment or non investment of any funds or accounts relating to the Bonds under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.
- (r) The Bond Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Bond Indenture shall likewise extend to the Bond Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Bond Trustee's rights to compensation, shall survive the Bond Trustee's resignation or removal, the discharge of this Bond Indenture and the final payment of the Bonds.
- (s) Except as provided in **Section 705**, if the Bond Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of owners of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds

Outstanding, pursuant to the provisions of this Bond Indenture, then the Bond Trustee, in its sole discretion, may determine what action or actions, if any, shall be taken or not taken.

- (t) Whether or not expressly so provided, each provision of this Bond Indenture relating to the conduct or affecting the liability of or affording protection to the Bond Trustee is subject to this **Section 802**.

Section 803. Notice of Defaults. The Bond Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure to be made of any of the payments to the Bond Trustee required to be made by **Article IV**, unless the Bond Trustee shall be specifically notified in writing of such default by the County or the Corporation, or the owners of at least 10% in principal amount of all Bonds Outstanding, and in the absence of such notice so delivered, the Bond Trustee may conclusively assume there is no default except as aforesaid. Within 30 days after the occurrence of any default hereunder of which the Bond Trustee is required to take notice or has received notice as provided in this Section, the Bond Trustee shall send written notice of such default by Electronic Means to all owners of Bonds as shown on the bond register maintained by the Bond Trustee, unless such default shall have been cured or waived; provided that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond, the Bond Trustee shall be protected in withholding such notice if and so long as the Bond Trustee in good faith determines that the withholding of such notice is in the interests of the Bondowners. For the purpose of this Section, the term “default” means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 804. Compensation and Reimbursement. The Bond Trustee shall be entitled to payment or reimbursement from the Corporation.

- (a) from time to time for reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (b) except as otherwise expressly provided herein, upon its request, for all reasonable expenses, disbursements and advances incurred or made by the Bond Trustee in accordance with any provision of this Bond Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Bond Trustee’s gross negligence or bad faith; and
- (c) to indemnify the Bond Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

All such payments and reimbursements shall be made by the Corporation with interest at the rate of interest per annum equal to the Prime Rate.

The Bond Trustee shall promptly notify the Corporation in writing of any claim or action brought against the Bond Trustee in respect of which indemnity may be sought against the Corporation, setting forth the particulars of such claim or action, and the Corporation will assume the defense thereof, including the employment of counsel satisfactory to the Bond Trustee and the payment of all expenses. The Bond Trustee may employ separate counsel in any such action and participate in the defense thereof,

and the reasonable fees and expenses of such counsel shall not be payable by the Corporation unless such employment has been specifically authorized by the Corporation.

Pursuant to the Loan Agreement, the Corporation has agreed to pay to the Bond Trustee all reasonable fees, charges, advances and expenses of the Bond Trustee, and the Bond Trustee agrees to look only to the Corporation for the payment of all reasonable fees, charges, advances and expenses of the Bond Trustee and any Paying Agent as provided in the Loan Agreement. The Bond Trustee agrees that the County shall have no liability for any fees, charges and expenses of the Bond Trustee.

As security for the payment of such compensation, expenses, reimbursements and indemnity under this Section, the Bond Trustee shall be secured under this Bond Indenture by a lien prior to the Bonds, and shall have the right to use and apply any trust moneys held by it under **Article IV**, except moneys held in trust in the Rebate Fund under **Section 407**.

Section 805. Corporate Trustee Required; Eligibility. There shall at all times be a Bond Trustee hereunder which shall be a bank or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, subject to supervision or examination by federal or state authority and must have a combined capital and surplus of at least \$50,000,000 or must provide a guaranty of the full and prompt performance by the Bond Trustee of its obligations under this Bond Indenture and any other agreements made in connection with the Bonds by a guarantor with such assets. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Bond Trustee shall cease to be eligible in accordance with this Section, it shall resign immediately in the manner and with the effect specified in this Article.

Section 806. Resignation and Removal of Bond Trustee.

- (a) The Bond Trustee may resign at any time by giving written notice thereof to the County, the Corporation and each Purchaser as their names and addresses appear in the bond register maintained by the Bond Trustee. If an instrument of acceptance by a successor Bond Trustee shall not have been delivered to the Bond Trustee within 30 days after the giving of such notice of resignation, the resigning Bond Trustee may petition any court of competent jurisdiction for the appointment of a successor Bond Trustee.
- (b) If the Bond Trustee has or shall acquire any conflicting interest, it shall, within 90 days after ascertaining that it has a conflicting interest, or within 30 days after receiving written notice from the Corporation (so long as the Corporation is not in default under this Bond Indenture) that it has a conflicting interest, either eliminate such conflicting interest or resign in the manner and with the effect specified in **Subsection (a)**.
- (c) The Bond Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the County and the Bond Trustee and signed by the Purchaser, or, so long as the Corporation is not in default under the Loan Agreement, by the Corporation. The County, the Corporation or any Purchaser may at any time petition any court of competent jurisdiction for the removal for cause of the Bond Trustee.
- (d) If at any time:

- (1) the Bond Trustee shall fail to comply with **Subsection (b)** after written request therefor by the Corporation or by any Bondowner, or
- (2) the Bond Trustee shall cease to be eligible under **Section 805** and shall fail to resign after written request therefor by the Corporation or by any such Bondowner, or
- (3) the Bond Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Bond Trustee or of its property shall be appointed or any public officer shall take charge or control of the Bond Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Corporation may remove the Bond Trustee, or (ii) the Corporation or any Bondowner may petition any court of competent jurisdiction for the removal of the Bond Trustee and the appointment of a successor Bond Trustee.

- (e) The successor Bond Trustee shall give notice of such resignation or such removal of the Bond Trustee and such appointment of a successor Bond Trustee to the registered owners of Bonds as their names and addresses appear in the bond register maintained by the Bond Trustee. Each notice shall include the name of the successor Bond Trustee and the address of its designated corporate trust office.
- (f) No resignation or removal of the Bond Trustee and no appointment of a successor Bond Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Bond Trustee under **Section 807**.
- (g) Notwithstanding any provision herein to the contrary, the County shall have no obligation to monitor the qualifications of the Bond Trustee or request the removal of the Bond Trustee.

Section 807. Appointment of Successor Bond Trustee. If the Bond Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Bond Trustee for any cause, the Corporation (so long as no event of default by the Corporation hereunder or under the Loan Agreement has occurred and is continuing), or the owners of a majority in principal amount of Bonds Outstanding (if an event of default by the Corporation hereunder or under the Loan Agreement has occurred and is continuing), by an instrument or concurrent instruments in writing delivered to the County and the retiring Bond Trustee, shall promptly appoint a successor Bond Trustee. In case all or substantially all of the Trust Estate shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee, by written instrument, may similarly appoint a temporary successor to fill such vacancy until a new Bond Trustee shall be so appointed by the County, the Corporation or the Bondowners. If a successor Bond Trustee shall be appointed in the manner herein provided, the successor Bond Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Bond Trustee and supersede the retiring Bond Trustee and any temporary successor Bond Trustee appointed by such receiver or trustee. If, within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, no successor Bond Trustee shall have been so appointed and accepted appointment in the manner herein provided, any Bondowner or the Bond Trustee may petition any court of competent jurisdiction for the appointment of a successor Bond Trustee, until a successor shall have been appointed as above provided. The successor so appointed by such court shall immediately and without further act be superseded by any successor appointed as above provided. Every such successor Bond Trustee appointed pursuant to this Section shall be a bank with trust powers or trust

company in good standing under the law of the jurisdiction in which it was created and by which it exists, meeting the eligibility requirements of this Article.

Section 808. Acceptance of Appointment by Successor. Every successor Bond Trustee appointed hereunder shall execute, acknowledge and deliver to the County and to the retiring Bond Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Bond Trustee shall become effective and such successor Bond Trustee, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, trusts and duties of the retiring Bond Trustee; but, on request of the successor Bond Trustee, such retiring Bond Trustee shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Bond Trustee upon the trusts herein expressed all the estates, properties, rights, powers and trusts of the retiring Bond Trustee, and shall duly assign, transfer and deliver to such successor Bond Trustee all property and money held by such retiring Bond Trustee hereunder, subject nevertheless to its lien, if any, provided for in **Section 804**. Upon request of any such successor Bond Trustee, the County shall execute any and all instruments reasonably required for more fully and certainly vesting in and confirming to such successor Bond Trustee all such estates, properties, rights, powers and trusts.

No successor Bond Trustee shall accept its appointment unless at the time of such acceptance such successor Bond Trustee shall be qualified and eligible under this Article.

Section 809. Merger, Consolidation and Succession to Business. Any corporation or association into which the Bond Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger or consolidation to which the Bond Trustee shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Bond Trustee, shall be the successor of the Bond Trustee hereunder, provided such corporation or association shall be otherwise qualified and eligible under this Article, and shall be vested with all of the title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Bonds shall have been authenticated, but not delivered, by the Bond Trustee then in office, any successor by merger or consolidation to such authenticating Bond Trustee may adopt such authentication and deliver the Bonds so authenticated with the same effect as if such successor Bond Trustee had itself authenticated such Bonds.

Section 810. Co-Bond Trustees and Separate Bond Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any of the Trust Estate may at the time be located, or in the enforcement of any default or the exercise any of the powers, rights or remedies herein granted to the Bond Trustee, or any other action which may be desirable or necessary in connection therewith, the Bond Trustee shall have power to appoint, and, upon the written request of the owners of at least 25% in principal amount of the Bonds Outstanding, the Bond Trustee shall appoint one or more Persons acceptable to the Bond Trustee to act as co-trustee, jointly with the Bond Trustee, of all or any part of the Trust Estate, or to act as separate trustee of any such property, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section.

Should any written instrument from the County be reasonably required by any co-trustee or separate trustee so appointed for more fully confirming to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the County.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

- (a) The Bonds shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Bond Trustee hereunder, shall be exercised solely, by the Bond Trustee.
- (b) The rights, powers, duties and obligations hereby conferred or imposed upon the Bond Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed by the Bond Trustee or by the Bond Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Bond Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee.
- (c) The Bond Trustee at any time, by an instrument in writing executed by it, may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section. Upon the written request of the Bond Trustee, the County shall join with the Bond Trustee in the execution, delivery and performance of all instruments and agreements reasonably necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.
- (d) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of the Bond Trustee, or any other such trustee hereunder.
- (e) Any request, demand, authorization, direction, notice, consent, waiver or other act of Bondowners delivered to the Bond Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

Section 811. Designation of Paying Agents. The Bond Trustee is hereby designated and agrees to act as principal Paying Agent for and in respect to the Bonds. The Corporation may, in its discretion, cause the necessary arrangements to be made through the Bond Trustee and to be thereafter continued for the designation of alternate Paying Agents, if any, and for the making available of funds hereunder for the payment of the principal of, premium, if any, and interest on the Bonds, or at the designated corporate trust office of said alternate Paying Agents. In the event of a change in the office of Bond Trustee, the predecessor Bond Trustee which has resigned or been removed shall cease to be trustee of any funds provided hereunder and Paying Agent for principal of, premium, if any, and interest on the Bonds, and the successor Bond Trustee shall become such Bond Trustee and Paying Agent unless a separate Paying Agent or Agents are appointed by the Corporation in connection with the appointment of any successor Bond Trustee.

Section 812. Advances by Bond Trustee. If the Corporation shall fail to make any payment or perform any of its covenants in the Loan Agreement, the Bond Trustee may, at any time and from time to time, use and apply any moneys held by it under this Bond Indenture, or make advances, to effect payment or performance of any such covenant on behalf of the Corporation. All moneys so used or advanced by the Bond Trustee, together with interest at Prime Rate, shall be repaid by the Corporation upon demand and such advances shall be secured under this Bond Indenture prior to the Bonds. For the

repayment of all such advances the Bond Trustee shall have the right to use and apply any moneys at any time held by it under this Bond Indenture but no such use of moneys or advance shall relieve the Corporation from any default hereunder.

Section 813. Required Reporting to the County. The Bond Trustee shall keep, or cause to be kept, proper books of records and accounts in which complete and accurate entries shall be made of all funds and accounts established by or pursuant to this Bond Indenture, which shall at all reasonable times be subject to the inspection by the County, or owners of the Bonds (or a designated representative thereof).

ARTICLE IX

SUPPLEMENTAL BOND INDENTURES

Section 901. Supplemental Bond Indentures Not Requiring Consent of Bondowners. The County, at the written request of the Corporation, and the Bond Trustee may from time to time, without the consent of or notice to any of the Bondowners, enter into such Supplemental Bond Indenture or Supplemental Bond Indentures, for any one or more of the following purposes:

- (a) To more precisely identify the Project or the Financed Facilities, or to substitute or add additional property thereto as permitted by the Loan Agreement, or to correct or amplify the description of any property at any time subject to the lien of this Bond Indenture, or better to assure, convey and confer unto the Bond Trustee any property subject or required to be subjected to the lien of this Bond Indenture, or to subject to the lien of this Bond Indenture additional property;
- (b) To add to the conditions, limitations and restrictions on the authorized amount, terms or purposes of issue, authentication and delivery of Bonds, as herein set forth, additional conditions, limitations and restrictions thereafter to be observed;
- (c) To cure any ambiguity or formal defect or omission in this Bond Indenture or to release property from the Trust Estate which was included by reason of an error or other mistake;
- (d) To grant to or confer upon the Bond Trustee for the benefit of the Bondowners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondowners or the Bond Trustee or either of them;
- (e) To subject to this Bond Indenture additional revenues, properties or collateral;
- (f) To modify, amend or supplement this Bond Indenture or any indenture supplemental thereto in such manner as to permit the qualification of this Bond Indenture under the Trust Indenture Act of 1939, as then amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any state of the United States;
- (g) To provide for the refunding or advance refunding of any Bonds;
- (h) To evidence the appointment of a separate trustee or the succession of a new trustee hereunder;
- (i) To preserve the tax-exempt status of the Bonds;

(j) In connection with any other change made in accordance with the Master Indenture; or

(k) To make any other change which, in the judgment of the Bond Trustee, does not materially adversely affect the interests of the Bondowners.

Section 902. Supplemental Bond Indentures Requiring Consent of Bondowners. With the consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, and with the written consent of the Corporation, the County, at the written request of the Corporation, and the Bond Trustee may from time to time enter into such other Supplemental Bond Indenture or Supplemental Bond Indentures as shall be deemed necessary or desirable by the Bond Trustee for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Bond Indenture or in any Supplemental Bond Indenture; provided that nothing in this Section contained shall permit or be construed as permitting without the written consent of every Bondowner affected thereby:

(a) a change of the maturity date of the principal of any Bond, any mandatory sinking fund redemption schedule for any of the Bonds, the scheduled date of payment of interest on any Bond or the earliest optional redemption date for any Bond, or

(b) a reduction in the principal amount, redemption premium or any interest payable on any Bond, or

(c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or

(d) a reduction in the aggregate principal amount of Bonds the Owners of which are required for consent to any such Supplemental Bond Indenture, or

(e) the modification of the rights, duties or immunities of the Bond Trustee, without the written consent of the Bond Trustee.

If the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Bond Indenture shall have consented to the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Bond Trustee or the County from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Bond Indenture as in this Section permitted and provided, this Bond Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 903. Corporation's Consent to Supplemental Bond Indentures. Anything herein to the contrary notwithstanding, so long as the Corporation is not in default under the Loan Agreement, a Supplemental Bond Indenture under this Article which affects any rights of the Corporation shall not become effective unless and until the Corporation shall have consented in writing to the execution and delivery of such Supplemental Bond Indenture. In this regard, the Bond Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Bond Indenture, together with a copy of the proposed Supplemental Bond Indenture, to be sent by Electronic Means to the Corporation at least 15 days prior to the proposed date of execution and delivery of any such Supplemental Bond Indenture.

Section 904. Opinion of Bond Counsel. Notwithstanding anything to the contrary in **Sections 901 or 902**, before the County and the Bond Trustee enter into any Supplemental Bond Indenture pursuant to **Section 901 or 902**, there shall have been delivered to the County and the Bond Trustee an Opinion of Bond Counsel stating that such Supplemental Bond Indenture is authorized or permitted by this Bond Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon the County in accordance with its terms and will not adversely affect the validity of the Bonds or the exclusion from federal gross income of interest on the Bonds. The County and the Bond Trustee may conclusively rely on such opinion when executing and consenting to such supplement.

ARTICLE X

SUPPLEMENTAL LOAN AGREEMENTS

Section 1001. Supplemental Loan Agreements Not Requiring Consent of Bondowners. The County, at the written request of the Corporation, and the Bond Trustee may, without the consent of or notice to the Bondowners, consent to the execution of any Supplemental Loan Agreements by the County and the Corporation as may be required:

(a) by the Loan Agreement and this Bond Indenture, or in connection with an amendment of this Bond Indenture pursuant to **Section 901**;

(b) to more precisely identify the Project or the Financed Facilities, or to substitute or add additional property thereto;

(c) to add to the conditions, limitations and restrictions on the authorized amount, terms or purposes of the loan, as set forth in the Loan Agreement, additional conditions, limitations and restrictions thereafter to be observed;

(d) to evidence the succession of another corporation to the Corporation and the assumption by any such successor of the covenants of the Corporation contained in the Loan Agreement;

(e) to add to the covenants of the Corporation or to the rights, powers and remedies of the Bond Trustee for the benefit of the Owners of all Bonds or to surrender any right or power conferred upon the Corporation in the Loan Agreement;

(f) for the purpose of curing any ambiguity or formal defect or omission in the Loan Agreement;

(g) to grant to or confer upon the County or the Bond Trustee, for the benefit of the Bondowners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the County or the Bond Trustee;

(h) to amend or modify the Loan Agreement, or any part thereof, in any manner specifically required or permitted by the terms thereof, including, without limitation, as may be necessary to preserve the tax-exempt status of the Bonds or to maintain any rating on the Bonds;

(i) in connection with any other change made in accordance with the Master Indenture; or

(j) in connection with any other change therein which, in the judgment of the Bond Trustee, does not materially adversely affect the interests of the Bondowners.

Section 1002. Supplemental Loan Agreements Requiring Consent of Bondowners. With the consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, the Bond Trustee may consent to the execution of any Supplemental Loan Agreements by the County, at the written request of the Corporation; provided that no such Supplemental Loan Agreement shall be entered into without the consent of the Owners of all Bonds then Outstanding which permits:

(a) an extension of the maturity of the principal of or the interest on the Series 2021 Master Obligation, or

(b) a reduction in the principal amount of the Series 2021 Master Obligation or the premium or rate of interest payable thereon.

If the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Loan Agreement shall have consented to the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Bond Trustee or the County from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Loan Agreement as in this Section permitted and provided, the Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 1003. Opinion of Bond Counsel. Anything to the contrary in **Sections 1001** or **1002** notwithstanding, before the County executes and the Bond Trustee consents to any Supplemental Loan Agreement, there shall have been delivered to the County and the Bond Trustee an Opinion of Bond Counsel stating that such amendment is authorized or permitted by this Bond Indenture and the Act, complies with their respective terms, will, upon the execution and delivery thereof, be valid and binding upon the County (if the County is a party thereto) in accordance with its terms and will not adversely affect the validity of the Bonds or the exclusion from federal gross income of interest on the Bonds. The County and the Bond Trustee may conclusively rely on such opinion when executing and consenting to such supplement.

ARTICLE XI

SATISFACTION AND DISCHARGE OF BOND INDENTURE

Section 1101. Bonds Deemed to be Paid. Any Bond or Bonds shall be deemed to be paid and no longer Outstanding under this Bond Indenture and shall cease to be entitled to any lien, benefit or security under this Bond Indenture if the Bonds are paid in full or provision for the payment of such Bond or Bonds has been made in any one or more of the following ways:

(a) by paying or causing to be paid the principal of (including redemption premium, if any) and interest on such Bond or Bonds, as and when the same become due and payable;

(b) by delivering and surrendering to the Bond Trustee, for cancellation by it, such Bond or Bonds; or

(c) by depositing with the Bond Trustee, in trust, (1) moneys or Defeasance Obligations in such amounts and with maturities as the Bond Trustee shall determine will be,

together with other moneys deposited therein and together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, fully sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such Bond or Bonds at or before their respective maturity dates and to pay the interest thereon as it comes due, and (2) in the case of Bonds which do not mature or will not be redeemed within 90 days of the deposit referred to in (1) above, a verification report of an independent certified public accounting firm as to the adequacy of the trust funds to fully pay the Bonds deemed to be paid.

Notwithstanding the foregoing, in the case of any Bonds which by their terms may be redeemed prior to the stated maturities thereof, no deposit under clause (c) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed prior to their respective stated maturities, proper notice of such redemption shall have been given in accordance with **Article III** or irrevocable instructions shall have been given to the Bond Trustee to give such notice.

Notwithstanding any provisions of any other Section of this Bond Indenture which may be contrary to this Section, all moneys or Defeasance Obligations set aside and held in trust pursuant to this Section for the payment of Bonds (including redemption premium thereon, if any) shall be held irrevocably in trust for the Owners of such Bonds and applied to and used solely for the payment of the particular Bonds (including redemption premium thereon, if any) with respect to which such moneys and Defeasance Obligations have been so set aside in trust.

Section 1102. Satisfaction and Discharge of the Bond Indenture. If the principal of, redemption premium, if any, and interest on all of the Bonds shall have been paid in accordance with their terms, or provision has been made for such payment as provided in **Section 1101**, and provision shall also be made for paying all other sums payable hereunder, including the payment of any rebatable arbitrage to the United States and the fees, charges and expenses of the County, the Bond Trustee and any Paying Agent to the date of retirement of the Bonds, then the right, title and interest of the Bond Trustee in respect hereof shall thereupon cease, determine and be void, and thereupon the Bond Trustee, upon Written Request of the Corporation, and upon receipt by the Bond Trustee and the County of an Opinion of Bond Counsel to the effect that all conditions precedent to the satisfaction and discharge of this Bond Indenture have been complied with, shall cancel, discharge and release this Bond Indenture and shall execute, acknowledge and deliver to the County such instruments of satisfaction and discharge or release as shall be requisite to evidence such release and the satisfaction and discharge of this Bond Indenture, and shall assign and deliver to the County, the Corporation or other Person entitled thereto as their respective interests may appear, any property and revenues at the time subject to this Bond Indenture which may then be in its possession, other than moneys or obligations held by the Bond Trustee for the payment of the principal of and interest and redemption premium, if any, due or to become due on the Bonds.

The County is hereby authorized to accept a certificate by the Bond Trustee that the whole amount of the principal and interest and redemption premium, if any, so due and payable upon all of the Bonds then Outstanding and all other amounts required to be paid hereunder have been paid or such payment has been provided for in accordance with **Section 1101** as evidence of satisfaction of this Bond Indenture, and upon receipt thereof shall cancel and erase the inscription of this Bond Indenture from its records.

Upon provision for the payment of all Outstanding Bonds in accordance with this Section, and compliance with the other payment requirements of **Section 1101**, and subject to this Section, this Bond Indenture may be discharged in accordance with the provisions hereof; provided that the obligation of the County in respect of such Bonds shall nevertheless continue but the Owners thereof shall thereafter be

entitled to payment only out of the moneys or Defeasance Obligations deposited with the Bond Trustee as aforesaid.

Provision for payment of the Bonds Outstanding hereunder may not be made as aforesaid nor may this Bond Indenture be discharged if under any circumstances the interest on such Bonds is thereby made subject to federal income taxation. In determining the foregoing, the Bond Trustee and the County may rely upon an Opinion of Bond Counsel (which opinion may be based upon a ruling or rulings of the Internal Revenue Service) to the effect that so providing for the payment of any Bonds will not cause the interest on the Bonds to be subject to federal income taxation under Section 103(a) of the Internal Revenue Code, notwithstanding the satisfaction and discharge of this Bond Indenture.

Section 1103. Payment of Bonds After Discharge. Notwithstanding the discharge of the lien hereof as in this Article provided, the Bond Trustee shall nevertheless retain such rights, powers and duties hereunder as may be necessary and convenient for the payment of amounts due or to become due on the Bonds and the registration, transfer, exchange and replacement of Bonds as provided herein. Nevertheless, any moneys held by the Bond Trustee or any Paying Agent for the payment of the principal of, redemption premium, if any, or interest on any Bond remaining unclaimed for one year after the principal of all Bonds has become due and payable, whether at maturity or upon proceedings for redemption or by declaration as provided herein, shall then be paid to the Corporation and the Owners of any Bonds not theretofore presented for payment shall thereafter be entitled to look only to the Corporation for payment thereof and all liability of the Bond Trustee or any Paying Agent or the County with respect to such moneys shall thereupon cease.

Section 1104. Reserved Rights in Escrow. The other provisions of this Bond Indenture notwithstanding, (a) subsequent to the date that moneys and/or Defeasance Obligations are deposited with the Bond Trustee to provide for the payment of all or any portion of the Bonds at the respective maturity dates therefor, the County may, if directed by the Corporation, elect to call such Bonds (or any portions thereof) on any earlier redemption date applicable to such Bonds (*e.g.*, pursuant to **Section 301(a)**) and/or cause to be delivered all or any portion of such Bonds acquired by the Corporation (whether by open market purchase or any other means) for cancellation and redemption in advance of their scheduled respective maturity or redemption dates, and may reduce the amount of moneys and/or Defeasance Obligations held in escrow for the remaining outstanding Bonds. No such election shall be made, however, unless the Corporation shall, in connection with the payment, discharge or defeasance resulting from such election, provide evidence to the Bond Trustee demonstrating satisfaction of the applicable requirements of **Section 1101**.

ARTICLE XII

MISCELLANEOUS PROVISIONS

Section 1201. Consents and Other Instruments by Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Bond Indenture (other than the assignment of any Bond) to be signed and executed by the Bondowners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondowners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Indenture, and shall be conclusive in favor of the Bond Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take

acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Indenture, Bonds owned by the Corporation or any Affiliate shall be disregarded and deemed not to be Outstanding under this Bond Indenture, except that, in determining whether the Bond Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Bond Trustee knows to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bond Trustee the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Corporation.

Any action taken by the Bond Trustee pursuant to this Bond Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the Owner of any Bond shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

Section 1202. Limitation of Rights Under the Bond Indenture. The invalidity of any one or more phrases, sentences, clauses or Sections in this Bond Indenture contained shall not affect the remaining portions of this Bond Indenture, or any part thereof.

SCHEDULE 1
TO BOND TRUST INDENTURE

PROJECT

The “Project” includes the following:

The Project includes all buildings, improvements, fixtures, machinery, equipment and other property owned or to be owned by the Corporation that are paid or refinanced or are to be paid in whole or in part, or for which the Corporation is reimbursed in whole or in part, from the proceeds of the Bonds and any repairs thereto or replacements or substitutions therefor, as more specifically set forth on **Exhibit E** to the Tax Agreement.

The final allocation of proceeds of the Bonds to facilities and expenditures comprising the Project may be subject to future changes to maintain the exclusion of the interest on the Bonds from gross income for federal income tax purposes pursuant to the Tax Agreement.

TERMS OF THE BONDS

The following terms and provisions shall apply for the Bonds.

Bonds Dated:	Closing Date, the date of original issuance and delivery
Bond Numbering:	R-1 for each series consecutively upward from in order of issuance or other manner designated by Bond Trustee
Bond Denominations:	\$100,000 or any integral multiple of \$1,000 in excess thereof
Interest Payment Dates:	_____ 1, 2021 and thereafter monthly in arrears on the first Business Day of each calendar month until all principal has been paid.
Day Count Convention:	360-day year for the actual number of days elapsed.
Interest Rate:	<p>The Cumulative Outstanding Principal Amount of each series of Bonds shall initially bear interest at the Tax-Exempt Interest Rate.</p> <p><i>“Tax-Exempt Interest Rate”</i> means, for each series of Bonds, the applicable Taxable Interest Rate multiplied by 0.79.</p>
Taxable Rate:	<p>The Taxable Interest Rate is effective for each series of Bonds (or the taxable portion thereof) upon the occurrence and continuance of a Determination of Taxability under this Bond Indenture.</p> <p><i>“Taxable Interest Rate”</i> means, for each date from [February] 1, 2021, through and including the applicable Maturity Date, a fluctuating rate per annum equal to (a) for the 2020A Bonds, (i) the Performance Margin <u>plus</u> (ii) the 1-Month LIBOR Rate, as determined for each such Reprice Date and (b) for the 2020B Bonds, (i) 3.30% <u>plus</u> (ii) the 1-Month LIBOR Rate, as determined for each such Reprice Date.</p> <p><i>“1-Month LIBOR Rate”</i> means the end of day or final rate published under the heading “London Interbank Offered Rate, or Libor” in the “Money Rate” column of the Wall Street Journal for the one month maturity on the publication date which is two (2) Business Days immediately preceding the first Business Day of the calendar month. Rates of interest tied to the 1-Month LIBOR Rate shall change with and be effective on the first Business Day of each calendar month. Notwithstanding the foregoing, at no time shall the 1-Month LIBOR Rate be less than 0.50%.</p> <p>If at any time or times Purchaser determines (which determination will be conclusive absent manifest error) that (i) the index for the 1-Month LIBOR Rate has been discontinued for any reason or is no longer being published by a reliable source reasonably available to and used by Purchaser, (ii) by reason of circumstances affecting the Eurodollar market generally, deposits in dollars (in the applicable amounts) are not being offered to banks in the Eurodollar market for the maturity selected, or adequate means do not exist for ascertaining the 1-Month LIBOR Rate, (iii) circumstances relating to the planned</p>

discontinuance of the London Interbank Offered Rate have caused the 1-Month LIBOR Rate to not adequately and fairly reflect the cost to Purchaser of maintaining or funding loans based on the 1-Month LIBOR Rate, or (iv) the administrator of the 1-Month LIBOR Rate or a governmental authority having jurisdiction over financial institutions has made a public statement identifying a specific date after which the 1-Month LIBOR Rate shall no longer be used for determining interest rates for loans, then the Purchaser shall give written notice thereof to the Corporation, the Bond Trustee and the County, and within 15 days following such written notice the Corporation shall engage a Rate Calculation Agent that shall determine (which determination shall be conclusive absent manifest error) a replacement index (the "*Replacement Index*"), by reference to a similar rate index from other sources deemed to be reliable by and available to the Rate Calculation Agent and the Purchaser. Such Replacement Index shall give due consideration to the then prevailing market convention for determining an index rate of interest for commercial loans in the United States at such time and shall, based on the professional judgement of the Rate Calculation Agent, after giving effect to the Margin described below, most closely approximate the 1-Month LIBOR Rate as in effect on the Closing Date. In the event that the Rate Calculation Agent determines a Replacement Index, in order to account for the relationship of the Replacement Index to the 1-Month LIBOR Rate, the Rate Calculation Agent shall also determine any change necessary to the percentage points ("*Margin*") to be added to the Replacement Index necessary to ensure that the replacement method will measure interest rates in a manner similar to the 1-Month LIBOR Rate, and for the avoidance of doubt, any such change to the Margin shall not reduce the applicable interest rate. Reasonably promptly after such determination by the Rate Calculation Agent, the Purchaser may, by written notice to the County, the Corporation and the Bond Trustee, select the date on which the Replacement Index and the Margin shall be effective, and from and after such stated effective date, the Replacement Index and Margin shall then be deemed the replacement for the 1-Month LIBOR Rate under this Bond Indenture (without any additional action or consent by the Purchaser, the County, the Bond Trustee or the Corporation). To the extent practicable, the interest rate based on the Replacement Index plus the Margin, as it may be adjusted, will be substantially equivalent to the 1-Month LIBOR Rate previously in effect.

"*Performance Margin*" means the following rates based on the then-applicable Days Cash on Hand (as such term is defined in the Master Indenture) for the internally prepared financial statements at the end of each semi-annual period ending on each March 31 and September 30, to be applied to the Taxable Interest Rate for the subsequent six-month period beginning each April 1 and October 1:

- Days Cash on Hand at or above 250 days: 2.25%
- Days Cash on Hand below 250 days but at or above 150 days: 2.75%
- Days Cash on Hand below 150 days: 3.30%.

"*Rate Calculation Agent*" means a third-party financial advisory firm, investment banking firm or other entity appointed by the Corporation with the consent of the Purchaser.

"*Reprice Date*" means the first day of each month.

Changes to the interest rates (including, without limiting the foregoing, mode conversions) for any Bonds other than as set forth in the terms of this Bond Indenture shall not be permitted or effective under this Bond Indenture unless (1) the Corporation, the County and the Purchaser shall have consented in writing to such changes; (2) in connection with such change the Corporation causes to be delivered to the Purchaser, the County and the Bond Trustee, an Opinion of Bond Counsel to the effect that such change will not adversely affect the validity of the Bonds or the excludability of the interest on the Bonds from gross income for federal income tax purposes; and (3) if any other

amendments or supplements to this Bond Indenture or the other Bond Documents are required in connection with such changes, the requirements, if any, set forth in this Bond Indenture or the other Bond Documents for such amendments or supplements are satisfied.

“*Determination of Taxability*” means (as defined in the Continuing Covenant Agreement) and shall be deemed to have occurred on the first to occur of the following:

(a) on the date when Corporation files any statement, supplemental statement or other tax schedule, return or document which discloses that an Event of Taxability shall have in fact occurred;

(b) on the date when a Bondholder or any former Bondholder notifies the County and Corporation that it has received a written opinion by a nationally recognized firm of attorneys of substantial expertise on the subject of tax-exempt municipal finance to the effect that an Event of Taxability shall have occurred unless, within one hundred eighty (180) days after receipt by the Corporation of such notification from such Bondholder or such former Bondholder, as applicable, the Corporation shall deliver to such Bondholder or such former Bondholder, as applicable, a ruling or determination letter issued to or on behalf of the Issuer or the Corporation by the Commissioner of the Internal Revenue Service or the Director of Tax-Exempt Bonds of the Tax-Exempt and Government Entities Division of the Internal Revenue Service (or any other government official exercising the same or a substantially similar function from time to time) to the effect that, after taking into consideration such facts as form the basis for the opinion that an Event of Taxability has occurred, an Event of Taxability shall not have occurred;

(c) on the date when the County or Corporation shall be advised in writing by the Commissioner of the Internal Revenue Service or the Director of Tax-Exempt Bonds of the Tax-Exempt and Government Entities Division of the Internal Revenue Service (or any other government official exercising the same or a substantially similar function from time to time, including an employee subordinate to one of these officers who has been authorized to provide such advice) that, based upon filings of Corporation, or upon any review or audit of the Corporation or upon any other ground whatsoever, an Event of Taxability shall have occurred; or

(d) on the date when Corporation shall receive notice from a Bondholder or any former Bondholder that the Internal Revenue Service (or any other government official or agency exercising the same or a substantially similar function from time to time) has assessed as included in the gross income of such Bondholder or such former Bondholder the interest on the Bonds due to the occurrence of an Event of Taxability;

provided, however, no Determination of Taxability shall occur under subparagraph (c) or (d) hereunder unless Corporation has been afforded the opportunity, at its expense, to contest any such assessment, and, further, no Determination of Taxability shall occur until such contest, if made, has been finally determined; *provided further, however*, that upon demand from a Bondholder or any former Bondholder, the Corporation shall promptly reimburse such Bondholder or former Bondholder for any payments, including any taxes, interest, penalties or other charges, such Bondholder (or former Bondholder) shall be obligated to make as a result of the Determination of Taxability.

“*Event of Taxability*” means (as defined in the Continuing Covenant Agreement) a (i) Change in Law or fact or the interpretation thereof, or the occurrence or existence of any fact, event or circumstance (including, without limitation, the taking of any action by the Corporation, or the failure to take any action by the Corporation, or the making by the Corporation of any misrepresentation herein or in any certificate required to be given in connection with the issuance, sale or delivery of the Bonds) which has the effect of causing

	<p>interest paid or payable on the Bonds to become included, in whole or in part, in the gross income of a Bondholder or any former Bondholder for federal income tax purposes or (ii) the entry of any decree or judgment by a court of competent jurisdiction, or the taking of any official action by the Internal Revenue Service or the Department of the Treasury, which decree, judgment or action shall be final under applicable procedural Law, in either case, which has the effect of causing interest paid or payable on the Bonds to become included, in whole or in part, in the gross income of such Bondholder or such former Bondholder for federal income tax purposes with respect to the Bonds.</p>
Default Rate:	<p>The Default Rate is effective upon the occurrence and continuance of an Event of Default under this Bond Indenture.</p> <p><i>“Default Rate”</i> means, for each series of Bonds, an interest rate per annum equal to the then-applicable Tax-Exempt Interest Rate for such series of Bonds, plus up to 4.0% per annum as the Purchaser may determine in its sole discretion.</p>
Principal Amount:	<p>Principal Advances (including the Initial Advance and all subsequent Principal Advances including the Final Advance) shall be made by the Purchaser pursuant to this Bond Indenture. On the Closing Date, the Cumulative Outstanding Principal Amount for the 2021B Bonds shall be equal to the Initial Advance. Each Principal Advance for each series of Bonds shall increase the Cumulative Outstanding Principal Amount for such series; provided, no Principal Advance shall be made with respect to the 2021A Bonds until the entire Maximum Principal Amount of the 2021B Bonds has been advanced, without regard to mandatory or optional prepayment of the 2021B Bonds. Principal Advances shall be deposited as provided in Section 402 of this Bond Indenture.</p> <p>From time to time as proceeds of the Bonds are required under this Bond Indenture after the Closing Date, the Corporation shall provide a written request for Principal Advance, in the form attached hereto as Exhibit E, with written confirmation by the Bond Trustee. The Corporation shall make demand upon the Purchaser for the Final Advance with respect to each series of Bonds not later than April 1, 2023; provided, however, such Final Advance shall not cause the aggregate principal amount of all Principal Advances to exceed the Maximum Principal Amount.</p> <p>Principal Advances must each be requested and made in amounts of not less than [\$100,000], excluding the Final Advance. The Purchaser shall pay the Principal Advance not later than three (3) Business Days following receipt of the written request therefor.</p> <p>On each date upon which a portion of the Cumulative Outstanding Principal Amount of a series of Bonds is redeemed or purchased pursuant to Article III hereof or are otherwise deemed paid and discharged in accordance with Article XI hereof, the Bond Trustee shall enter on its records the principal amount redeemed or otherwise deemed paid and discharged and shall reduce the Cumulative Outstanding Principal Amount for such series of Bonds.</p> <p>The Purchaser of the Bonds, by delivering its Purchaser Letter and making the Initial Advance hereby acknowledges and agrees, on behalf of itself and its successors and assigns, that it has agreed to purchase all of the Bonds equal to the Maximum Principal Amount upon receipt from time to time from the Corporation of the request and certification substantially in the form of Exhibit E hereto.</p> <p><i>“Cumulative Outstanding Principal Amount”</i> means, for the 2021A Bonds, the sum of all Principal Advances for the 2021A Bonds including the Final Advance therefor, less the principal amount of 2021A Bonds redeemed or purchased under Article III and the principal amount of 2021A Bonds otherwise deemed paid and discharged under Article</p>

The Bonds are being issued for the purpose of making a loan to Christian Retirement Homes, Inc. d/b/a Eastmont, a Nebraska nonprofit corporation (the “**Corporation**”) to finance (A) the nonprofit facilities described on **Schedule 1** hereto (the “**Project**”), and (B) issuance costs and funded interest related to the Bonds, all as more fully described in the Bond Indenture and the Loan Agreement, dated as of February 1, 2021 (said Loan Agreement, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “**Loan Agreement**”), between the County and the Corporation, and will be secured by the Series 2021 Master Obligation under the Master Indenture described in the Bond Indenture. The Bonds are issued under and pursuant to Sections 13-1101 to 13-1110, inclusive, Reissue Revised Statutes of Nebraska, as amended, of the State of Nebraska (the “**State**”), and a resolution adopted by the County. Reference is hereby made to the Bond Indenture for a description of the property pledged and assigned thereunder, and the provisions, among others, with respect to the nature and extent of the security for the Bonds, and the rights, duties and obligations of the County, the Bond Trustee and the registered owners of the Bonds, and a description of the terms upon which the Bonds are issued and secured, upon which provision for payment of the Bonds or portions thereof and defeasance of the lien of the Bond Indenture with respect thereto may be made and upon which the Bond Indenture may be deemed satisfied and discharged prior to payment of the Bonds. Capitalized terms used herein and not otherwise defined shall have the meanings given to them in the Bond Indenture.

The issuance of the Bonds and the execution of any documents in relation thereto do not directly, indirectly or contingently obligate the County or any political subdivision of the State to apply money from or levy or pledge any form of taxation whatever to the payment of the principal of or interest on the Bonds or any other payments or costs incident thereto. The County’s taxing power is not pledged for payment of the Bonds.

Transfer and Exchange. Re: The County of Lancaster, in the State of Nebraska, Revenue Bonds (Eastmont Project), Series 2021A and Revenue Bonds (Eastmont Project), Series 2021B

Ladies and Gentlemen:

[__insert purchaser name__] (“Purchaser”) has agreed to purchase the above-referenced bonds (the “Bonds”) which were issued by the County of Lancaster, in the State of Nebraska (the “County”) pursuant to the Bond Trust Indenture, dated as of February 1, 2021 (the “Bond Indenture”), between the County and Union Bank and Trust Company, as bond trustee (the “Trustee”). All capitalized terms used herein, but not defined herein, shall have the respective meanings set forth in the Bond Indenture. The undersigned, an authorized representative of the Purchaser, hereby represents to you that:

1. The Purchaser has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits represented by the purchase of the Bonds and the transactions contemplated by the Bond Indenture. The Purchaser has reviewed with the Purchaser’s own tax advisors the federal and state tax consequences of the purchase of the Bonds, where applicable, and the Purchaser understands that the Purchaser (and not the County) shall be responsible for the Purchaser’s own tax liability that may arise as a result of the purchase of the Bonds.

2. The Purchaser has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Bonds.

3. The Purchaser is a “qualified institutional buyer” as defined in Rule 144A promulgated under the Securities Act of 1933, as amended (the “1933 Act”) and is able to bear the economic risks of purchasing the Bonds.

4. The Bonds are being acquired by the Purchaser for its own account and not with a present view toward resale or distribution; provided, however, that the Purchaser understands that the Bonds may be offered, resold, pledged or transferred:

- (a) to a Person (i) that is an affiliate of the Purchaser, or (ii) that is a trust or other custodial arrangement established by the Purchaser or one of its affiliates, the owners of any beneficial interest in which are limited to qualified institutional buyers or accredited

investors, or (iii) that the Purchaser reasonably believes to be a qualified institutional buyer or accredited investor; and

- (b) only if the transferee delivers to the County, Christian Retirement Homes, Inc. d/b/a Eastmont (the "Corporation"), and the Trustee a letter substantially in the form of this letter as specified in the Bond Indenture and with only such variations from that form as are acceptable to the County.

5. The Purchaser understands that an official statement, prospectus, offering circular, or other comprehensive offering statement has not been provided with respect to the Bonds. The Purchaser has made its own inquiry and analysis with respect to the County, the Corporation, the Bonds and the security therefor, and other material factors affecting the security for and payment of the Bonds. The Purchaser acknowledges that it has reviewed information, including financial statements and other financial information, regarding the Corporation and has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Corporation, the Bonds and the security therefor, so that it has been able to make an informed decision to purchase the Bonds; provided, however, that this letter shall not constitute a waiver of any rights or remedies the Purchaser may have with respect to any untrue information it may have received or any material information which was withheld from its review. The Purchaser acknowledges that the County has not made any representation or warranty concerning the accuracy or completeness of any information furnished by the Corporation in connection with the purchase by the Purchaser of the Bonds, and in purchasing the Bonds, the Purchaser is not relying on any representations of the County with respect to the financial quality of the Bonds.

6. The Purchaser understands that the Bonds: (i) are not registered under the 1933 Act and are not registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state; (ii) are not listed on any stock or other securities exchange; and (iii) have not been rated by any credit rating agency.

7. The Purchaser understands that (i) the Bonds are special, limited obligations of the County payable solely by the Corporation from amounts to be deposited in the funds in the custody of the Trustee pursuant to the Loan Agreement, (ii) under no circumstances shall the County be obligated for payment of the Bonds, and (iii) the Bonds do not constitute a debt of the County and shall not be deemed to constitute a debt or liability of the State or any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and shall not constitute a pledge of the full faith and credit of the State or of any political subdivision thereof, but shall be payable solely from the funds provided for in the Bond Indenture. The issuance of the Bonds shall not, directly, indirectly, or contingently, obligate the State or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, security interest, obligation, or agreement of any kind whatsoever which may be undertaken by the County. No breach by the County of any such pledge, security interest, obligation, or agreement may impose any liability, pecuniary or otherwise, upon the State or any charge upon its general credit or its taxing power.

8. The Purchaser acknowledges that the County has not made any representation or warranty concerning the accuracy or completeness of any information furnished by the Corporation in connection with the purchase by the Purchaser of the Bonds. Accordingly, other than with respect to express representations and warranties made by the County, the Purchaser has not relied upon the County as to the accuracy or completeness of any information.

9. The Purchaser agrees to indemnify and hold harmless the County, the Corporation and the Trustee, from any and all claims, judgments, attorney's fees and expenses of whatsoever nature, whether relating to litigation or otherwise, solely and directly resulting from any attempted or effected sale, offer of sale, pledge, transfer, conveyance, hypothecation, mortgage or disposition of any of the Bonds by the Purchaser in violation of the Bond Indenture or this letter.
