The Chair noted the location of the Open Meetings Act and opened the meeting at 8:36 a.m.

AGENDA ITEM

1. APPROVAL OF STAFF MEETING MINUTES FOR MAY 13, 2021

Brestel noted that the banking fees in the County Treasurer's budget discussion should be estimated at \$32,000 not \$23,000.

MOTION: Amundson moved and Flowerday seconded approval of the May 13, 2021 Staff Meeting minutes with the corrections as noted. Amundson, Flowerday and Vest voted yes. Schorr and Yoakum were absent. Motion carried 3-0.

2. LEGISLATIVE UPDATE – Joe Kohout and Brennen Miller, Kissel, Kohout, ES Associates LLC

Kohout reviewed the weekly report (Exhibit 1) and said it is the intent to move all bills to the Governor's Office today and then return next Thursday for potential overrides if the Governor vetoes anything.

LB649 (Adopt the Nebraska Financial Innovation Act and provisions for controllable electronic records under the Uniform Commercial Code) and LB139 (Adopt the COVID-19 Liability Act and the Health Care Crisis Protocol Act), LB2 (Change the valuation of agricultural land and horticultural land for certain school district taxes), LB103 (Appropriate funds to aid counties to pay certain federal judgments), and LB236 (Permit counties to authorize carrying concealed weapons as prescribed) were advanced to Final Reading. LB528 (Provide, change, and eliminate provisions relating to education) was amended to include a two-year program extension, and was moved to Final Reading.

LB271 (Adopt the 24/7 Sobriety Program Act), LB291 (Change provisions relating to property tax protests), LB407 (Include certain county correctional officers in provisions governing mental injuries and mental illnesses under the Nebraska Workers' Compensation Act), and LB644 (Adopt the

Property Tax Request Act) passed on Final Reading.

Kohout noted LB242 (Provide for county bridges under the Political Subdivisions Construction Alternatives Act) will be held until next year. Also, LB529 (Change provisions for the distribution of lottery funds used for education, transfer powers and duties, create new acts and funds, and change education provisions) failed on a cloture motion.

Kohout reviewed the interim studies, highlighting the County fees study (Exhibit 2). Vest added that there have been discussions about how the Medicaid rates and program process burden the service providers.

Additionally, a comprehensive listing of bills (Exhibit 3) and a listing of the Board priorities (Exhibit 4), were provided.

3. YOUTH SERVICES CENTER DIRECTOR INTAKE – Doug McDaniel, Director, Lincoln-Lancaster County Human Resources

McDaniel reported he conducted 31 interviews with internal and external stakeholders pertaining to desired characteristics of a director, what would draw a candidate to the position, success factors for the director and the YSC, relationships with staff and increased collaboration with partner departments and organizations.

He said a rewrite of the class description has begun. This position will most likely be a national search. McDaniel noted that one drawback is that we do not know what detention center to benchmark ourselves against.

Vest relayed to McDaniel that the County hired the Council of Juvenile Justice Administrators to conduct a 90-day facility review of the YSC, to include the staffing, culture and in-depth analysis of the County's policies and procedures. Flowerday added the R.F.K. Children's Action Corps will also conduct a survey and look at finding respite care for youth. The 90-day review will be completed and then the Board can proceed with posting the position after the Board has reviewed the report. McDaniel said he will communicate with the YSC staff about the hiring process.

Flowerday exited the meeting at 9:21 a.m. and returned at 9:23 a.m.

LEGISLATIVE MEMORANDUM

TO: Lancaster County Board of Commissioners

FROM: Joseph D. Kohout
Brennen L. Miller

DATE: May 20, 2021

RE: Weekly Report

Good Morning. Please accept this as your weekly report for the 2021 session of the Legislature for the date noted above. We note that today is day 81.

Following our meeting last week, Speaker Hilgers announced to the body that it was his intent to position the Legislature for adjournment sine die on May 27, 2021. As such, yesterday was focused on moving some of the more controversial bills from Select File to Final Reading. It is the speaker's intent to send all bills to the Governor by today so that they can come back and override any legislation on May 27, 2021.

On Tuesday, Legislators debated Senator Vargas' legislation to enact the meatpackers bill of rights – LB241. Senator John Lowe filed a bracket motion on the bill and said motion was successful with the minimum number of 25 votes. Too, LB529, Senator Walz's bill to spend the education portion of lottery fund was debated but failed on a cloture motion in part due to Senator Murman's attempt to amend provisions allowing for physical intervention by teachers into the bill. When that bill failed, Senator Walz's LB528 was amended to include a two year extension of the current lottery spending and the bill was sent to Final Reading. Finally, a bill that would have deployed a pilot program on developmental disabilities failed on a cloture motion after 4 hours of debate.

Also considered on Tuesday and advanced to Final Reading was LB649, Senator Flood's cryptocurrency legislation and LB139 – the Chamber's covid 19 liability bill that contained legislation dealing with a crisis standard of care. Yesterday and today, the Legislature focused on Final Reading.

We note that our interim study resolution on fees and fines was introduced by Senator Matt Hansen. It is LR215 and we have attached it for your review. I would highlight others of potential interest to the Board:

LR138 (Lathrop) Interim study to examine remedies available for incarcerated persons who have property lost, stolen, or damaged during their confinement.

LR143 (Stinner) Interim study to examine the mental and behavioral health needs of Nebraskans, assess the shortages of providers, and determine what is need to ensure an adequate behavioral health service delivery system.

LR147 (J. Cavanaugh) Interim study to examine the transfer of state-owned property to local political subdivisions.

LB156 (Pansing-Brooks) Interim Study to examine mental health and addiction issues within the Nebraska criminal justice system.

LR178 (Wishart) Interim study to solicit input from Nebraskans regarding funds from the federal American Rescue Plan Act of 2021.

LR179 (M. Cavanaugh) Interim study to examine funding mechanisms in the American Rescue Plan Act of 2021.

LR183 (J. Cavanaugh) Interim study to examine Nebraska law relating to body-worn cameras worn by law enforcement agents.

LR203 (HHS Committee) Interim study to examine the long-term fiscal sustainability of the Nebraska Health Care Cash Fund.

LR203 (Flood) Interim study to examine medicaid expansion and behavioral health.

LR215 (M. Hansen) Interim study to examine county fees and fines set by statute and the cost for administering the associated services.

LR230 (Murman) Interim study to examine a potential constitutional amendment to limit property taxation to residential property only.

LR237 (Vargas) Interim study to examine existing statutes regarding directed health measures.

LANCASTER COUNTY PRIORITIES

Defeat Inheritance Tax Repeal. Three bills have been introduced which would repeal or amend the inheritance tax:

LB133 (Erdman) Adopt the Nebraska EPIC Consumption Tax Act and eliminate certain other taxes. OPPOSE. *This bill would adopt the Nebraska EPIC Consumption Tax Act and eliminate certain other taxes. EPIC stands for the elimination of property (imposed pursuant to Chapter 77), income (state income and state sales and use tax imposed pursuant to the Nebraska Revenue Act of 1967), and corporate taxes. The inheritance tax imposed pursuant to sections 77-2001 to 77-2040 would also be repealed. This would become effective 12/31/2024.*

LR11CA (Erdman) Constitutional amendment to require enactment of a consumption tax and prohibit certain other forms of taxation. OPPOSE

Commissioner Amundson testified in a joint hearing on the two measures on Wednesday, February 3rd. Originally it was planned to only testify on LR11CA, however Senator Linehan took testifiers together as the measures are similar—only differing the manner of delivering the consumption tax (statutory or via ballot question). Commissioner Amundson illustrated the impact to the county, with her only question post-testimony coming from Senator Linehan regarding the current levels at which inheritance tax applies to individual's estates. Senator Erdman, who introduced the measures, mentioned Lancaster County's testimony in his closing, stating that the tax is "the most immoral thing ever", and noted that LB310 by Senator Clements is also targeting the tax.

Senator Erdman declared LR11CA to be his priority for this session. The Revenue Committee did advance LR11CA. The resolution was debated for approximately 6 hours on Wednesday, May 5, 2021. The bill failed to advance to Select File. Those members of the delegation and how they voted are noted here: YES (Against our position): Geist, Hilgers. NO/NOT VOTING (With our Position): Bostar, M. Hansen, Pansing-Brooks, Wishart, Brandt, Dorn, Morfeld.

LB310 (Clements) Change inheritance tax rates and exemption amount. OPPOSE *The bill would fundamentally change the amounts collected under the inheritance tax and almost phase it out.*

The hearing on this bill occurred at 930am on February 18, 2021. Commissioner Schorr is testified in opposition to the bill along with a multitude of commissioners from other counties and Joe Lorenz from Douglas County. LaVon Heidemann testified in opposition on behalf of Pawnee County and as a taxpayer.

We continue to work cooperatively with NACO and with Douglas County in opposition to this legislation. The votes to appear to be trending in such a way to likely advance the bill.

Neither Senator Clements nor Speaker Hilgers declared this to be a priority bill this session. The bill will remain alive for 2022.

LB377 (DeBoer) Change inheritance tax provisions. *Introduced at the request of the Nebraska State Bar Association. The bill redefines what is meant by the term relative. Relating to inheritance taxes, relatives of the decedent would additionally include relatives of a spouse or former spouse of the decedent's parent, grandparent, child, sibling, uncle, aunt, niece, or nephew, if the decedent's parent, grandparent, child, sibling, uncle, aunt, niece, or nephew were married to the spouse at the date of death of the decedent or at the date of death of such spouse.*

The hearing on this bill occurred on February 18, 2021. Those testifying in support included the Bar Association. The bill has been advanced to General File.

Defeat Legislation Limiting Growth. One constitutional amendment and one legislative bill were introduced this year that deal with this. Only LB408 has emerged from committee:

LB408 (Briese) Adopt the Property Tax Request Act. This bill would adopt the Property Tax Request Act. Definitions are included for approved bonds, political subdivision, property tax request, and real growth value. A political subdivision's property tax request for any year would not exceed its property tax request in the prior year by more than 3%, except as otherwise provided in this section. A political subdivision would be able to exceed the limit provided in this section by an amount approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. The limit in this section would not apply to that portion of a political subdivision's property tax request that is needed to pay the principal and interest on approved bonds and that will be derived from the real growth value for the political subdivision.

AM371 was adopted and advanced by the Committee. The Committee Amendment becomes the bill. The changes from LB408, as introduced are noted below. All other provisions from LB408 are included in the Committee Amendment. Section 4 (Page 4, Lines 19-31 through Page 6, Lines 1-14) that a political subdivision's property tax request in any year shall not exceed its request authority. Request authority shall be equal to the political subdivision's tax request from the prior year multiplied by 103%. By a majority vote of a political subdivision's governing board, the political subdivision may exceed the 3% limit for no more than 2 consecutive years. If this situation occurs, the property tax request of the political subdivision shall be reduced to ensure the increase in the property tax request does not exceed 9% over a 3-year period. The 3-year period will be measured using the year when the political subdivision exceeds the 3% limit as the first year. If the vote to exceed the 3% limit is for 2 consecutive years, the 3-year period shall be measured twice using each of the 2 consecutive years as the first year of the applicable 3-year period.

The 3% limit shall not apply to a political subdivision's property tax request that will be derived from the real growth value of the political subdivision. A political subdivision that chooses not to increase its property tax request by the full 3% may carry forward one-half of its unused request authority to future years as carryover request authority. Carryover request authority may be used in future years to increase the political subdivision's tax request above the 3% limit. The 3% limit shall apply to property tax requests set in 2022 through 2027. The 3% limit shall not longer apply to property tax request set in 2028 and thereafter. Section 13-506 is amended to require the presentation required at a budget hearing shall also include information showing the political subdivision follows the Property Tax Request Act.

The bill remains on General File and was prioritized by Senator Geist. The debate occurred Thursday, April 22, 2021 and after 8 hours of debate, the bill failed on a cloture motion. Those members of the delegation and how they voted are noted here: YES (Against our position) Brandt, Dorn, Geist, Hilgers. NO/NOT VOTING (With our Position) Bostar, Matt Hansen, Morfeld, Pansing-Brooks, Wishart. The bill will still be alive for 2022.

Statewide 24/7 Sobriety. **LB271 (Morfeld) Adopt the 24/7 Sobriety Program Act. SUPPORT.** This bill contains our amended provisions from 2019-20 along with a version of LB500 from last year regarding diversion.

The hearing on this bill has occurred at 930am on February 17, 2021. Joe Nigro and Pat Condon testified in support of the bill on behalf of both Lancaster County and the following: the Nebraska State Bar Association, the Nebraska Criminal Defense Attorneys Association, and the Nebraska County Attorneys Association. Both the ACLU and the Attorney General's office submitted written testimony in support. The only written opposition came from MADD and Project Extra Mile. The only testimony opposition to the bill came from DMV (a copy of their testimony was forwarded to Commissioners yesterday) which Senator Lathrop took apart through questioning. Also, the Coalition of Ignition Interlock Manufacturers appeared in opposition which Senator McKinney took apart by asking if it was because of the loss in business that they opposed it.

Several meetings have occurred on this bill since last week. On Thursday, February 26, 2021 we met with MADD along with Senator Morfeld. MADD agreed to share some information with Senator Morfeld about different states. To date, that has not been received. On Wednesday, March 3, 2021 we had a very fruitful meeting with DMV leadership and are working on amendments to address their concerns. An amendment was prepared following that meeting to address their concerns.

On Tuesday, March 9, 2021, the Judiciary Committee met and advanced LB271 to General File with the amendment worked out with DMV. On Wednesday, March 17, 2021, the bill was granted Speaker Priority status guaranteeing debate this session. During the week of March 22, Senator Morfeld agreed to a request from MADD to remove the diversion provisions from the bill and as a result they will move to a neutral position. We also received a request from the Legislative Fiscal Office to include language in the bill to allow for DMV to receive the dollars from Lancaster County. Also, there are some minor changes that DMV is requesting to the Committee amendment. Ms. Etherton, Mr. Condon and Mr. Nigro cleared that draft amendment, and it was sent to Sen. Morfeld's office.

On Monday, April 12 the Legislature debated and advanced LB271 after adopting the compromise amendment that we had reviewed. I am pleased to report that Senator Morfeld did a terrific job pushing back on the effect that the text messages sent over the weekend had on members.

As noted last week, we worked with Senator Morfeld's office to prepare some clean up amendments. On Tuesday, we became aware by the Omaha Police Officers Association on certain provisions. That amendment was filed last Wednesday. On Tuesday, the Legislature took LB271 up on Select File and adopted the Morfeld amendment on a 27-11-8 vote with 3 senators excused.

On Wednesday, May 19, 2021, the Legislature passed LB271 on a vote of 36-11-2. The entire delegation voted to pass the bill. Those who voted no are as follows with appropriate county:

Aguilar (Hall County)
Albrecht (Dakota, Thurston, Wayne Counties)
Bostelman (Butler, Colfax, Saunders Counties)
Clements (Cass, Otoe, Sarpy Counties)

Erdman (Arthur, Banner, Box Butte, Cheyenne, Deuel, Garden, Keith, Kimball, Morrill, Knox Counties)
Halloran (Adams, Hall Counties)
Lowe (Buffalo Counties)
Moser (Colfax, Platte, Stanton Counties)
Murman (Buffalo, Clay, Franklin, Kearney, Nuckolls, Phelps, Webster Counties)
Sanders (Sarpy County)
Slama (Johnson, Nemaha, Otoe, Pawnee, Richardson Counties)

Those Senators who were present, not voting were

Arch (Sarpy County)
Linehan (Douglas)

We will be working with Pat Condon to set up a meeting with the Governor's office.

Sharing of Mental Health Information. LB663 (Geist) Require the Nebraska Commission on Law Enforcement and Criminal Justice to create a mental health indicator in a criminal justice information system to alert emergency dispatch operators. *This legislation is our version of sharing of mental health information. Senator Geist made some changes to the draft in the last hours before introduction that limited the scope of the bill.*

The hearing for the Mental Health Data priority for the board was held February 3rd before the Judiciary Committee. Both Commissioner Schorr and Kim Etherton testified representing the county. Highlighted in their testimony was the importance that this tool would provide to identifying possible mental health crisis situations. Questions were largely regarding how long this identifier, established within the Nebraska Crime Commission, would last. Other proponent testimony was presented by the Omaha Police Department, and the Nebraska Association of Behavioral Health Organizations. Supportive letters were submitted by the Lancaster County Sheriff, the ACLU of Nebraska, and the Nebraska Defense Counsel Association. Opposition was presented by the Department of Health and Human Services who focused on possible HIPPA concerns, as well privacy issues surrounding the use of a database that the measure does not utilize, as well as Disability Rights of Nebraska who expressed concerns over their read of the intent of the bill, focusing on what he viewed as the immediate criminalization of individuals in crisis.

Following the hearing on February 3rd, we have been working on an amendment to address some concerns raised therein. First, to limit the amount of time following a mental health board's ruling that an individual would remain tagged in the NCJIS system. Following conversations with Pat Condon we believe that 2 years is a reasonable time and have developed an amendment to include that provision. Additionally, we developed language to include the allowance of communication between Mr. Condon and Kim Etherton. While this was a major part of conversations on this bill prior to drafting, it was not included at the hearing due to time constraints. We have received a draft of both items in separate amendments. On Monday, March 15th we met with Senator Lathrop, Chair of the Judiciary Committee in order to discuss his thoughts on the bill and

present him with the amendments. At the conclusion of the meeting Senator Lathrop stated he would review the amendments and consider our points addressed therein, while he also planned to review his notes from the hearing.

This bill will be held over for the 2022 session.

Infrastructure Funding. LB242 (Brandt) Provide for county bridges under the Political Subdivisions Construction Alternatives Act. SUPPORT. *This bill would allow for a longer payment period and for design-build for bridges.*

The hearing on this bill occurred on February 4, 2021 before the Government, Military & Veterans Affairs Committee. Those who appeared in support included Commissioner Vest, Jon Edwards from NACO and Todd Wilgen from the Lincoln Chamber. There was no opposition to the measure and LIBA appeared in a neutral capacity.

LB242 was advanced by the Government, Military & Veterans Affairs Committee and reported to General File with our suggested amendment. The bill is number 20 or so on the worksheet order list for consideration by the Legislature. Senator Tom Brandt has requested consideration of the bill on Consent Calendar.

We continue to work on the provisions of this bill and trying to get it up this year. We began work to attempt to address a concern – not with the bill but with whether it should be eligible for consent calendar – with the Speakers Office.

I received a text from Speaker Hilgers on Wednesday, April 21, 2021. He indicated that the bill is not a good fit for consent considering the questions regarding bonding on other bills. We will continue to find a home for it.

We sent over a re-worked version of the amendment that incorporated some of the language from LB414 this year and will have the amendment potentially ready for other bills that may come up. Senator Brandt indicated that he wanted to not take it up this year, but this bill will be held over for the 2022 session.

Gaming Revenue. LB73 (Geist) Direct a portion of the proceeds from the Nebraska Racetrack Gaming Act to county agricultural societies. SUPPORT. *For the Nebraska Racetrack Gaming Act, 25% of the tax is already remitted to the county treasurer of the county in which the licensed racetrack enclosure is located. 10% of the distribution remitted would be distributed to the county agricultural society in the county in which the licensed racetrack enclosure is located, if such county agricultural society has been formed in the county under the County Agricultural Society Act. Following any distribution to a county agricultural society, the remaining funds would be distributed by the county treasurer.*

The hearing on this bill occurred on February 1, 2021 before the General Affairs Committee. Those appearing in support of the measure included Commissioner Vest, Steve Kruger from the State Association of Ag Societies, Amy Dickerson from the Lancaster County Event Center and Bud Synhorst from LIBA. Those appearing opposition to the bill included Commissioner Schorr in her personal capacity, Jon Cannon from NACO, Eric Gerrard on behalf of the City of Lincoln, Lynn Rex from the League of Nebraska Municipalities and Jack Cheloha on

behalf of the City of Omaha. Tom Sage, the Executive Secretary of the Racing Commission appeared in a neutral capacity.

Of note, Lance Morgan from Ho-Chunk during testimony late in the day made a reference back to LB73 saying something like this: “I noticed that some people are trying to split the money. I would remind you I still have to finance and build these facilities.”

The General Affairs Committee advanced LB73 on Tuesday, April 13, 2021 on a vote of 6 to 2 (Yes: Wayne, Lowe, Briese, Brewer, Brandt, Arch No: J. Cavanaugh, Groene). LB561, Senator Briese’s bill to implement the gaming initiative, was debated on Tuesday, April 20, 2021 and advanced to Final Reading. The bill was not amended to include the provisions of LB73. This bill will be held over for the 2022 session.

BILLS IDENTIFIED BY COMMISSIONERS/DEPARTMENT HEADS

Commissioner Flowerday – LB444 (Hansen, M.) Change provisions relating to credit against jail terms. If a person is arrested on one charge and prosecuted on another charge growing out of conduct which occurred prior to such person’s arrest, credit against the term of any sentence resulting from such prosecution would be given for all time spent in custody under the former charge which has not been credited against another sentence.

The bill has been advanced by the Judiciary Committee and placed on General File on a 7-0-1 vote. This bill will be held over for the 2022 session.

David Derbin – LB83 (Flood) Change the Open Meetings Act to provide for virtual conferencing. Regarding the Open Meetings Act, “virtual conferencing” would replace “videoconferencing.” Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants. No more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies would be able to be held by virtual conferencing in a calendar year (except for organizations created under the Interlocal Cooperation Act or Municipal Cooperative Financing Act). In an emergency as defined in section 81-829.39 (for purposes of the Emergency Management Act), a public body would be able to hold a meeting by virtual conferencing during such an emergency if they give reasonable advance publicized notice.

Beginning 7/31/2022, the governing body of a natural resources district, the city council of a city of the metropolitan, primary, or first class, the county board with a population greater than 25,000 inhabitants, and the school board of a school district would be required to make available on such entity’s public web site the agenda and minutes of the governing body.

Developed by the Nebraska League of Municipalities and a group of stakeholders over the interim, we have had numerous conversations with interested parties regarding this bill. Mr. Derbin has worked directly with NACO and the League on this.

The hearing on this bill occurred on January 27, 2021. The hearing went well with only one opponent from Gretna regarding frustrations he had with open meetings. The

Governor sent a letter of opposition. The current amendment under consideration for this bill would strike the provisions dealing with local officials calling the emergency that triggers the ability to utilize virtual meetings.

The Government, Military & Veterans Affairs Committee advanced the bill with a committee amendment. LB83 was debated on General File on Monday, March 15, 2021 and advanced to Select File. Senator Flood filed AM750 which is attached with this report. It addresses some issues that came up during General File consideration on the issue of SIDs. That amendment was adopted Tuesday, April 6, 2021 and the bill was advanced to Final Reading.

The bill passed on a vote of 43-0 on Thursday, April 15, 2021 and was signed by the Governor. The bill is now in effect.

Brad Johnson - LB111 (Albrecht) Change provisions relating to various offenses involving public safety. SUPPORT. Relating to public safety crimes and offenses, criminal mischief or unauthorized application of graffiti would be a Class IV felony if the property involved in the offense belongs to a peace officer, active-duty member in the armed services of the US, judge, or elected or appointed government official and the offense was committed with the intent to harass or intimidate such person because of such person's status. Criminal mischief or unauthorized application of graffiti would be a Class I misdemeanor if the property involved in the offense belongs to the government, a hospital, or a school. Upon conviction for these violations, the court would, in addition to any other punishment imposed, order the defendant to make restitution as provided in sections 29-2280 to 29-2289 and for a second or subsequent violation involving government property, impose a fine of \$5,000. The definitions of school, public safety officer, assault on a public safety officer (such penalty in third degree would be a Class IIIA felony with fine of at least \$1,000), strangulation, suffocation, and offensive substance.

Additionally, a person would not be able to knowingly aim a laser pointer (or aim or deploy any other device with intent to cause serious bodily injury or interference with their sight or hearing) toward the head of a public safety officer while they are engaged in the performance of the officer's official duties. This violation would be a Class I misdemeanor and have a fine of \$5,000, and the defendant would be ordered to make restitution. Definitions would be included for correctional officer, participate, and riot.

A person would also not be able to knowingly participate in a riot or organize 6 or more persons to engage in a riot. This would be a Class I misdemeanor (unless serious bodily injury results, then Class IV felony). A person would also not be able to intentionally interfere with a lawful meeting, procession, or gathering by physical action or verbal utterance (Class II misdemeanor). A person would also commit an offense by, without legal privilege, intentionally, knowingly, or recklessly obstructing a public way or disobeying a reasonable request or order to move issued by someone with the authority to control use of the public way.

Brad Johnson testified in support of the measure during its hearing on Wednesday, February 24th. The supportive position came following Senator Albrecht's amending the definition of law enforcement personnel to include corrections staff. As a result of this inclusion, Mr. Johnson provided very limited supportive testimony addressing this inclusion. Following his testimony, Senator McKinney of Omaha asked a clarifying

question, to which Mr. Johnson stated that he appeared only in support of this inclusion. Senator Lathrop, Chair of the Judiciary Committee asked for a follow up on the number of days inmates are spending awaiting assignment to state facilities and thanked him for his dedication and passion. This question stemmed from Mr. Johnsons testimony two years ago on the waiting list.

The bill remains held in committee. This bill will be held over for the 2022 session.

Cori R. Beattie - LB291 (Friesen) Change provisions relating to property tax protests. Relating to property tax protests, each protest would be made on a form prescribed by the Tax Commissioner, signed, and filed with the county clerk of the county where the property is assessed. The protest would contain or have attached a statement of the reason or reasons why the requested change should be made, including the requested valuation.

The hearing on this bill was Wednesday, February 17, 2021 in the Revenue Committee. Support for the bill comes from the Nebraska Association of County Officials with no opposition. The bill was advanced by the Revenue Committee on an 8-0 vote. The committee requested consent calendar consideration of the bill.

On Friday, April 2, 2021, I received correspondence from Dan Nolte who indicated that he along with the Clerks from Douglas and Sarpy Counties have concerns with the bill and how it will affect the electronic valuation protests process as well as how it will adversely impact citizens who send in a letter to protest rather than a form. I would note that this is NACOs bill.

The board discussed this bill at the staff meeting on April 8, 2021. At the meeting on April 15, 2021, Dan Nolte informed the board that Douglas and Sarpy County Clerks were meeting with Senator Friesen. On Tuesday, the bill was debated, and Senator Friesen offered an amendment that was the fruit of those discussions that would allow a county to use their own system if it captured the same information as the state form. The bill was amended and advanced to Select File.

On Tuesday, April 27, 2021, the bill was debated again on Select File and Senator Steve Erdman pushed back on the bill. It was advanced to Final Reading where it remains. It was on the agenda for final passage yesterday.

Cori R. Beattie - LB557 (M. Hansen) Change provisions relating to public records and include body-worn camera recordings in certain circumstances. This bill contains multiple provisions including what is noted in the one liner that would require recordings on body cameras to be open records and required to provide them to the media. The bill also bifurcates a request made by a Nebraska resident for public records to allow for up to 8 hours of research to be done on the same; but it also makes it possible to bill non-resident requesters for a percentage of the researcher's salary.

The hearing on this bill was held on February 25, 2021. The bill was advanced by the Government, Military and Veterans Affairs Committee on an 8-0 vote that would eliminates all provisions of the bill as introduced except the material relating to recordings from body-worn cameras that "depict or record circumstances in which a person died while being apprehended by" law enforcement or "while in the custody of" law enforcement or detention personnel. With AM 1021, these records would be subject

to disclosure upon request, but only after the conclusion of related grand jury proceedings.

Sheli Schindler – LB407 (McDonnell) Include certain county correctional officers in provisions governing mental injuries and mental illnesses under the Nebraska Workers’ Compensation Act. Regarding the Nebraska Workers’ Compensation Act, definitions would be included for “county correctional officer” and “high-population county.” The definition of “personal injury” would include mental injuries and mental illness unaccompanied by physical injury for an employee who is a county correctional officer. The definition of “high-risk individual” would include a person in the custody of a county jail or in the process of being placed in the custody of a county jail in a high-population county.

Sheli has noted that the definition of correctional worker does not include individuals working in the Youth Services Center. The bill was heard by the Business and Labor Committee on February 1, 2021. Various orders of police from the state came to support Sen. McDonnell’s efforts along with private attorneys.

The bill was advanced by the Business and Labor Committee on February 11, 2021 and while it was on the agenda a few times. On Tuesday, the bill was placed on Consent Calendar and advanced to Select File. This week it was debated on Select File. It was advanced to Final Reading where it remains. It was on the agenda for final passage yesterday.

Pam Dingman - LB339 (Bostelman) Require a utility coordination plan for certain highway and bridge contracts. Introduced by Senator Bostelman at the request of the Associated General Contractors, the bill would require any contract exceeding \$50,000 for the construction, reconstruction, improvement, maintenance, or repair of a road, street, highway, bridge, or other related structure to which the Department of Transportation or any city of the metropolitan class, any city of the primary or first class, or any county with more than 25,000 inhabitants is a party would require a utility coordination plan.

The hearing on this measure was held on February 16, 2021. Pam Dingman testified in opposition on behalf of Lancaster County. She was proceeded in testimony by the Department of Transportation and the current Director. Several groups including cities, counties, utilities and others appeared in opposition. The bill is not likely to move this year. This bill will be held over for the 2022 session.

David Derbin - LB657 (Vargas) Require the office of Legislative Research to prepare racial impact statements for legislative bills. SUPPORT. Beginning in the second session of the 107th Legislature, the office of Legislative Research would prepare and provide racial impact statements for designated bills or resolutions as determined by the Executive Board of the Legislative Council. A racial impact statement would clearly summarize the estimated impact of a bill on racial populations in the state and the estimated impact of the bill on racial disparities in the state.

The hearing on this bill occurred on March 1, 2021. Our letter was submitted. The bill remains held in committee. This bill will be held over for the 2022 session.

BILLS FROM PREVIOUS WEEKS

LB201 (Pansing-Brooks) Change provisions relating to jurisdiction over juveniles. *Douglas County Support.* Relating to juveniles, the accused would be able to be arraigned in county court or district court if the alleged offense is a traffic offense and the accused was 11 years of age or older at the time the alleged traffic offense was committed, or if the accused were 16 or 17 years of age when an alleged offense was committed, following a transfer from juvenile court. The juvenile court would have exclusive original jurisdiction as to any juvenile who was under 18 years (no longer 16) of age at the time the alleged offense was committed, except that proceedings initiated under this subdivision would be able to be transferred to county court or district court if the juvenile was 14, 15, 16, or 17 years of age at the time the alleged offense was committed.

The hearing for LB201 was held on January 28th, 2021 by the Judiciary Committee. Proponent testimony was presented by the Juvenile Division of the Lancaster County Public Defender's Office and the Administrator of Juvenile Reform Efforts. In opposition was the Nebraska County Attorneys Association.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB419 (Cavanaugh, J.) Require appointment of counsel in eviction proceedings and provide for a filing fee. NEUTRAL. *Douglas County Bill of Concern.* Relating to civil actions, at the commencement of any eviction proceeding, the court would appoint counsel for the tenant unless the tenant is already represented by counsel. The tenant would be able to waive court-appointed counsel or retain the tenant's own counsel and the cost of any court-appointed counsel would be paid by the county. Counsel appointed here would apply to the court before which the proceedings were had for fees for services performed. In addition to all other court costs assessed according to law, an eviction proceeding fee of \$50 would be assessed in each county court and district court. Additional information required for summons is listed in detail.

This bill was heard in the Judiciary Committee on February 4th. Proponents of the bill came from various housing advocacy groups throughout the state. Opposition to the bill came from property owners and landlords. Our neutral testimony was dropped for the hearing. The only question that came up regarding our fiscal note was about Douglas County being able to do the program for \$1 Million and Lancaster at \$2 Million.

The bill remains held in committee. This bill will be held over for the 2022 session.

LB414 (Wishart) Change provisions of the Political Subdivisions Construction Alternatives Act. Introduced at the request of the City of Lincoln. Regarding the Political Subdivisions Construction Alternatives Act, a political subdivision would be able to use a design-build contract or construction management at risk contract under this Act for a project for water, wastewater, utility, or sewer construction. For this project, the resolution would include a statement that the political subdivision has decided that the contract is in the public interest, based on either (a) savings in cost or time or (b) requirement of specialized or complex construction methods suitable for the contract delivery system. Political subdivisions would include a natural resources district.

The hearing on this bill was right before our LB242. The bill was advanced by the Government, Military & Veterans Affairs Committee. The bill was added to Tuesday, April 6th's consent calendar and the bill advanced to Select File. The bill was debated on April 12, 2021 and advanced to Final Reading. The bill passed on Final Reading on April 20, 2021 on a vote of 47-0-2 and was approved by the Governor on April 23, 2021.

LB525 (Wishart) Provide duties and requirements for transitional housing facilities and change powers of the Office of Inspector General of the Nebraska Correctional System. A provider who receives money from the state or a county to house residents in a transitional housing facility would (a) abide by all zoning and occupancy standards of the jurisdiction in which it is located, (b) provide the community supervision agency with a phone number for a manager or supervisor of the provider who is accessible 24 hours a day, 7 days a week, and (c) post in a conspicuous location on the exterior of the transitional housing, in a location visible to the public, a sign indicating the occupancy limit of the transitional housing. A community supervision agency or its employees, agents, or designees would be able to enter and inspect a transitional housing facility at any time without prior notice if such agency has jurisdiction over a resident of such facility or is paying for the housing of a resident of such facility. The Division of Parole Supervision would be given more powers that are listed under this act.

The bill was heard on Wednesday, February 10th in the Judiciary Committee. There was no proponent testimony, and opposition was presented by the ACLU of Nebraska, and the Inspector General of Corrections in a neutral capacity. The Lincoln City Council was in support via written testimony. Lancaster County was mentioned due the fiscal note attached from Community Corrections, which upon further research is no longer accurate, and no fiscal impact is expected.

The bill was advanced to General File by the Judiciary Committee with AM602 which was attached for your review to our report on April 1, 2021. This bill will be held over for the 2022 session.

LB644 (Hansen, B) Adopt the Property Tax Request Act. OPPOSE. This bill would adopt the Property Tax Request Act. A political subdivision would be able to set its property tax request at an amount that exceeds its property tax request in the prior year if (a) a public hearing is held and notice of such hearing is provided in compliance with any rules in this section, and (b) the governing body of such political subdivision passes a resolution or an ordinance that complies with this section. Each political subdivision within a county that seeks to set its property tax request at an amount that exceeds its property tax request in the prior year would participate in a joint public hearing. The hearing process is described in detail. Any resolution or ordinance setting a property tax request under this section would be certified and forwarded to the county clerk on or before October 15th of the year for which the tax request is to apply.

Our testimony in opposition was delivered to the Revenue Committee on Wednesday, February 10th. Those who appeared in support were Nebraskans for Prosperity and the Platte Institute. Those in opposition included the League of Nebraska Municipalities and NACO. Interestingly, one of the issues that came up was whether the committee should rid the statutes of the publication notices and move to postcards for budget and/or levy setting hearings.

Senator Ben Hansen granted the bill his personal priority status to this bill. The bill was advanced by the Revenue Committee on a 7-0-1 vote and appeared on yesterday's agenda for the first time. Committee Amendment AM755 changes the political subdivisions that are affected by this bill to be: a county, city, school district, or community college. If the political subdivision includes area in more than one county, the county in which the principal headquarters are located will be the location of the joint public hearing. The information required to be published on the postcard that is mailed to all affected property taxpayers found in Section 4 will now require the date, time and location for the joint public hearing, a listing of each political subdivision that will be participating in the joint public hearing, a telephone number for each political subdivision and the amount of each participating political subdivision's property tax request. Additional information on the postcard will be the name of the county that will be holding the joint public hearing, the parcel number and the name and address of the property owner, the prior year and the current year assessed valuation, the amount of property taxes due in the prior year and the amount of property taxes due for the current year and the change in the amount of property taxes due. The due date for filing the budget with the Auditor of Public Accounts for all political subdivisions is moved to September 27. The operative date remains as January 1, 2022.

The bill, as noted, was debated on General File on Tuesday, April 6 and Wednesday, April 7, 2021. There was a significant amount of debate on the provisions of the bill dealing with the cost to counties. Senator Hansen has agreed that several changes will be made to the bill before the bill comes up on Select File. Those changes are noted in an attachment attached with the report provided to the Board on April 15, 2021. The bill did move to Select File with an understanding that a series of amendments will be coming before Select.

Since General File consideration, we have been working actively with NACO, the League of Nebraska Municipalities, the Nebraska Association of School Boards, and the Community Colleges. The amendment has been filed to LB644 – AM1019 – and it was attached with our report last week. The amendment was adopted on April 28, 2021 and advanced to Final Reading where it remains. It was on the agenda for final passage yesterday.

LB2 (Briese) Change the valuation of agricultural land and horticultural land for certain school district taxes. OPPOSE. Regarding valuation of agricultural land and horticultural land for purposes of certain school district taxes, this bill creates an exception allowing lower percentage of actual value “for school district taxes levied to pay the principal and interest on bonds that are issued on or after the operative date of this act.” Where the normal valuation rate is 75% of its actual value, the exception rate would be 30%. Where the normal valuation rate range is 69-75% of actual value, the exception rate would be 24-30%.

LB2 was heard on Wednesday, February 10th before the Revenue Committee. There were the normal tax groups supporting the measure with a series of education groups and the chamber appearing in opposition.

The bill was advanced by the Revenue Committee with an amendment that raises the percentage from 30% to 50% and incorporates the provisions of LB79 which would change the minimum amount of relief provided under the Property Tax Credit Act at the base amount plus 3% each year.

The bill was debated on Tuesday, April 20 and Wednesday, April 21 with Senators raising a significant number of concerns on the bill on General File. The bill advanced to Select File on a vote of 38-4. On April 28, 2021, the Legislature took the bill up on Select File and advanced it to Final Reading where it remains. It was placed on the agenda for final passage yesterday.

LB165 (Erdman) Change provisions relating to the assessment of real property that suffers significant property damage. OPPOSE. Relating to property taxes, damaged real property would replace the term destroyed real property. Any events causing significant property damage that occurs with enough frequency in this state would be made to grant property tax relief to owners of real property adversely affected by such events. Significant property damage would no longer include damage exceeding 20% of the property's assessed value in the current tax year as determined by the county assessor. The county assessor would also inspect and review all properties for which a report has been filed under this section and would submit a comprehensive report of all such properties to the county board of equalization on or before July 20 of the current assessment year.

LB165 by Senator Erdman was heard on Wednesday, February 10th before the Revenue Committee. The bill was brought following the summer's protests and the 2019 floods. The only proponent testimony was delivered by a Lincoln based company who suffered property damage, while opposition was provided by the Nebraska Association of County Officials. Supportive written testimony was provided by the Nebraska Realtors and opposition testimony by Chairman Vest on behalf of the board.

The bill remains held in committee. However, Senator Erdman did attempt to attach the provisions of this bill to LB595 during consideration of that bill on Tuesday of this week. We worked in cooperation with NACO to defeat the amendment. How our delegation voted: AGAINST/NOT VOTING ON AM1140 (with county position): Bostar, Geist, M. Hansen, Morfeld, Pansing-Brooks, Wishart. SUPPORT AM1140 (against county position): Brandt, Dorn, Hilgers.

On May 7, 2021, Senator Erdman received an Attorney General's opinion on LB165. The opinion concludes that the bill does not plainly violate the uniformity clause. This bill will be held over for the 2022 session.

LB189 (Halloran) Change provisions relating to property tax refunds. MONITOR. *Douglas County Bill of Concern.* Relating to property taxes, the refund of a tax or penalty or the receipt for the registration of a claim made or issued pursuant to this section shall be satisfied in full as soon as practicable. If mutually agreed to by the governing body of the political subdivision and the person holding the receipt, such receipt would be applied to satisfy any tax levied or assessed by that political subdivision which becomes due from the person holding the receipt until the claim is satisfied in full. For any refund or claim due under this section, interest would accrue on the unpaid balance at the rate of 9% beginning on the date of entry of the final non appealable order or other action approving the refund.

The hearing on this bill occurred on February 10, 2021. The source of the angst on this bill was an ethanol plant that received a favorable ruling from TERC and a small community that the ethanol plant is in has expressed a hardship that will occur because

of the refund and hasn't issued it yet. The bill would put it in place so that 9% inures to the property taxpayer.

The bill was advanced by the Revenue Committee to General File. During consideration of LB644, the provisions of this bill were amended into that bill. As noted, LB644 was on the agenda for Final Passage yesterday.

LB335 (Flood) Require announcement of the average cost of incarceration at sentencing for sentences served at the Department of Correctional Services. MONITOR.

Beginning 9/15/2022, when sentencing a defendant to any term of imprisonment in an institution of the department, the court would announce in open court and on the record the total estimated cost to the taxpayers of such term of imprisonment. On or before 8/1/2022, and on or before each August 1 thereafter the Department would calculate the average cost of imprisonment for inmates in Department institutions for the preceding year and report such amount or amounts to the commission in a form and manner prescribed by the commission.

LB335 by Senator Flood was heard on Wednesday, February 10th. This bill would require that judges announce the average costs of incarceration at sentencing at a state level. Proponent testimony was provided by the ACLU, and Criminal Defense Attorney Association. Opposition was provided by the Nebraska Bar Association. Senator Flood noted that while many want to talk about the costs associated with governments that are taken well by the public (potholes, snow removal), there are other areas that need attention such as the cost of corrections.

The bill remains held in committee. This bill will be held over for the 2022 session.

LB313 (Sanders) Change provisions relating to late applications for homestead exemptions. SUPPORT. *Douglas County & Sarpy County Support.*

Introduced at the request of Sarpy County and relating to late applications for homestead exemptions, an owner would be able to file a late application if he or she includes a copy of the death certificate of a spouse who died during the year for which the exemption is requested. This request for exemption would only be for the current tax year. The late application would be filed with the county assessor on or before June 30 of the year in which the real estate taxes levied on the property for the current year become delinquent. Applications would include a copy of the death certificate of the deceased spouse. If the approval occurs after the date on which the first half of the real estate taxes levied on the property for the current year become delinquent, such delinquency and any interest would be removed from the tax roll. The approved application and other documentation would be forwarded to the Tax Commissioner. Any delinquency or interest accrued prior to the application date would, in the case of a rejection, remain on the tax roll.

The hearing occurred on February 11th, 2021 in the Revenue Committee. Two private practicing professionals provided their support for the bill and were followed with no opposition.

The bill was advanced to General File by the Revenue Committee with a proposed amendment, AM367, that I attached with previous reports. The bill was placed on consent calendar and discussed on Monday, May 3, 2021. The bill was advanced to Select File with AM367 attached and on Monday, May 10, 2021, the

bill advanced to Final Reading where it remains. This bill will be held over for the 2022 session.

LR3CA (Slama) Constitutional amendment to require verification of identity prior to voting. OPPOSE. This constitutional amendment would require verification of identity prior to voting to combat voter fraud, preserve the relative power of each eligible citizen's right to vote, modernize the election infrastructure of the state, and ensure the integrity of the elections of the state to preserve the public confidence in the legitimacy of the elected government. A poll worker would review a photograph or digital image of each voter to verify the identity of the voter in a manner determined by the Legislature prior to allowing the voter to vote.

The hearing on this bill was held on February 17th in the Government, Military and Veterans Affairs Committee with Secretary of State Evnen leading the proponent testimony. The Nebraska Taxpayers for Freedom and individuals were among other supporters of the bill. Several individuals expressing concerns about voter fraud testified in support. Those suggesting voter suppression testified in opposition which included the ACLU of Nebraska, League of Women Voters Nebraska, poll workers and more.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB613 (Erdman) Change provisions relating to hearings and decisions on appeals under the Tax Equalization and Review Commission Act. OPPOSE. *Douglas County Bill of High Concern.* This bill adds a 'speedy hearing right' to TERC appeals; if no decision by TERC has been reached within nine months after the filing date of the appeal, the appeal shall be decided in favor of the property owner.

LB613 was heard by the Revenue Committee on February 17th. Much like other Revenue bills, we are watching for this to potentially be packed with other bills and advanced as an omnibus package.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB622 (Friesen) Limit the growth of real property valuations and provide for adjustments to assessed values. Douglas County Bill of High Concern. This bill will create an annual limit on real property value increases at 3% over the previous year for both "agricultural and horticulture" and "non-agricultural" and calls for action by the Tax Commissioner to reduce if the increase exceeds 3%.

Sen. Friesen's LB622 was heard by the Revenue Committee on February 17th. There were no supporters of the bill present at the hearing. The Nebraska Association of County Officials came to testify in opposition as the association believes this bill will not actually address the problems outlined in the bill.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB192 (Wishart) State intent regarding appropriations for law enforcement training and certification. SUPPORT. This bill would state that the intent of the Legislature to appropriate \$140,000 from the General Fund to the Nebraska Commission on Law Enforcement and Criminal Justice for each of FY 2021-22 and 2022-23 for in-person and online training for law enforcement officer to be certified

through an accreditation agency approved by the Nebraska Commission on Law Enforcement and Criminal Justice.

The provisions of this bill and the requested amount were included the mainline budget. This amount remains intact in the budget. The budget was sent to the Governor on Tuesday, April 19, 2021. The Governor returned the budget with no line-item reductions so this funding will go into effect on July 1, 2021.

LB193 (Wishart) State intent regarding appropriations for law enforcement training. SUPPORT. This bill would state that the intent of the Legislature to appropriate \$800,000 from the General Fund to the Nebraska Commission on Law Enforcement and Criminal Justice for FY 2021-22 for the purchase of 2 law enforcement training systems and software to simulate real life encounters of law enforcement officers. It would also be their intent that the systems and software be designed for law enforcement officers to train on the use of nondeadly force and that the Nebraska Police Standards Advisory Council direct the location of such systems so that they are not located where similar systems are in place for law enforcement officers.

The provisions of this bill and the requested amount were not included the mainline budget.

LB304 (Hansen, M) Appropriate funds to the Nebraska Commission on Law Enforcement and Criminal Justice. SUPPORT. This bill would appropriate \$172,000 from the General Fund for FY 2021-22 to the Nebraska Commission on Law Enforcement and Criminal Justice to be used by the Nebraska Law Enforcement Training Center to enforce sections 81-1456 (employment of law enforcement officer; submit personnel change in status form; record; contents; report of termination or resignation in lieu of termination) and 81-1457 (employment of law enforcement officer; waiver to prospective employer; contents; form; former employer; duties) relating to revocation of law enforcement officer certification.

The provisions of this bill and the requested amount were included the mainline budget and split into each year of the biennium. This amount remains intact in the budget. The budget was sent to the Governor on Tuesday, April 19, 2021. The Governor returned the budget with no line-item reductions so this funding will go into effect on July 1, 2021.

LB179 (Linehan) Transition from elected to appointed county assessors. OPPOSE. Starting on 1/1/2023, the county board of every county which has an elected county assessor would appoint a county assessor or designate the county clerk to serve as county assessor. Each county having a population of more than 3,500 inhabitants and having more than 1,200 tax returns in any tax year would have a county assessor appointed by the county board and each other county would have a county assessor or would have the county clerk serve as county assessor as determined by the county board.

LB179 was heard in front of the Government, Military and Veterans Affairs Committee on February 19th, 2021. There were no proponents for Sen. Linehan's bill. Opposition was brought by the Nebraska Association of County Officials which noted that there are no current issues with the system.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB103 (Dorn) Appropriate funds to aid counties to pay certain federal judgments. MONITOR. This bill would appropriate funds to aid counties to pay for federal judgments. It would appropriate \$2 million from the General Fund for FY 2021-22 and FY 2022-23 to any county that has a judgment in excess of \$25 million rendered against it by a federal court for a violation of federal law if the total cost of the judgment is equal to 20% or more of the county's annual budget. Such appropriation would be used in the payment of such judgment, and no expenditures for permanent and temporary salaries and per diems for state employees would be made from the funds appropriated in this section.

On Wednesday, March 10, 2021, Senator Dorn declared this to be his priority bill. On March 16, 2021, the Appropriations Committee advanced the bill to General File with an amendment increasing the amount available under the bill from \$2 Million to \$5 Million per year of the biennium. The bill was debated on Thursday, April 29, 2021 and much of the debate focused on the ability of the state to afford the cost of LB103. Ultimately an amendment was adopted to the bill that reduced the funding down to \$2 Million per year. The bill was then advanced to Select File. On May 12, 2021, the Legislature advanced the bill to Final Reading where it remains. It will likely be on the agenda for final passage today or tomorrow.

LB178 (Lindstrom) Adopt the Infrastructure Improvement and Replacement Assistance Act and provide for a turnback of state sales tax revenue. Introduced at the request of the League of Nebraska Municipalities. *Sarpy Bill of Interest.* This bill would adopt the Infrastructure Improvement and Replacement Assistance Act and provide for a turnback of state sales tax revenue. The state would assist political subdivisions and sewer and water utilities by turning back a percentage of certain state sales tax revenue to political subdivisions and sewer and water utilities. For sales tax imposed from 7/1/2021 through 6/30/2022, 36.36%. For sales tax imposed from 7/1/2022 through 6/30/2024, 54.54%. For sales tax imposed after 7/1/2024, 72.72%. Funds received would be used exclusively to assist in paying for infrastructure improvements, paying for redevelopment and replacement of obsolete water or sewer facilities, or repaying bonds issued and pledged for such work. Another purpose would be to use the funds to defer increases in sewer and water rates.

This bill was heard on February 19th in the Revenue Committee. LB178 heard support from various public entities such as the Metropolitan Utilities District Public Works and Utilities Departments and the League of Nebraska Municipalities. There were no opponents present at the hearing.

The bill was advanced by the Revenue Committee and reported to General File on March 2, 2021. The bill does not have a priority. The bill is being held in committee. This bill will be held over for the 2022 session.

LB462 (Dorn) Appropriate funds to the Department of Health and Human Services. SUPPORT. *Douglas County Support.* This bill would provide a rate increase for behavioral health services of 3% for FY 2021-22 and 3% for FY 2022-23 to Agency No. 25, Department of Health and Human Services, Program 348, Medical Assistance, and Program 349, Medicaid Expansion.

The provisions of this bill and the requested amount were not included the mainline budget. However, all providers are receiving a 2% increase which equals an \$83.5

Million increase over the next two years. This amount remains intact in the budget. The budget was sent to the Governor on Tuesday, April 19, 2021. The Governor returned the budget with no line-item reductions so this funding will go into effect on July 1, 2021.

Beginning 9/1/2021, no wind energy generation project would be constructed unless the county in which the project would be located has zoning regulations or a zoning resolution meeting the requirements of this section. The zoning provisions would address fixed-distance setbacks, noise standards, any noise-measuring instruments, decommissioning terms and conditions, and fees for conditional use permits for wind energy generation projects. The procedure used to measure noise would meet the requirements of the American National Standards Institute, the International Electrotechnical Commission, or the International Organization for Standardization for the measurement of sound.

This bill was heard on February 26th by the Revenue Committee. Nebraskan farmers came to support Brewer's efforts because rural Nebraskans have many feelings toward this issue and would like to see the Legislature flesh it out. Multiple wind energy officials testified in opposition.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB577 (Bostar) Establish Election Day as a holiday and change provisions relating to early voting and automatic voter registration. NEUTRAL.

Election Day, the first Tuesday following the first Monday in November in each even-numbered year, would be a holiday. If a voter registration application is submitted under this section with the signature of the applicant but the applicant is not eligible to register to vote, the submission would not be considered a violation of section 32-1502 or 32-1503 and the document submitted would not be considered a valid or completed voter registration application for purposes of registration or enforcement of the Election Act unless the applicant has willfully and knowingly taken affirmative steps to register to vote knowing that he or she is not eligible to do so. An applicant would be given the opportunity to choose not to use his or her information for voter registration, otherwise the applicant would complete the voter registration portion that is transmitted to the election commissioner or county clerk to register the applicant to vote or update his or her voter registration record.

The hearing was held on Wednesday, March 3rd before the Government, Military and Veterans Affairs Committee. The board submitted a letter signed by Commissioner Yoakum in the neutral position while highlighting the support of the paid postage provision of the bill.

The bill is being held in committee. This bill will be held over for the 2022 session.

LB329 (Wayne) Change provisions relating to taxes imposed on the average wholesale price of gasoline. SUPPORT. Introduced at the request of the League of Nebraska Municipalities. The minimum average wholesale price of gasoline to be used to calculate the tax in this section for tax periods, beginning on and after 7/1/2021, would be \$2.44. In no case would the average wholesale price of gasoline be less than the minimum amount required under this subsection. The Department would use at least 35% of the amount allocated to the Highway Cash Fund to pay for surface transportation projects, as defined in section 29-2702 (money received; disposition), of the highest priority as determined by the Department.

The hearing on this bill was held on March 4, 2021 before the Revenue Committee. On March 3, 2021, Senator Wayne filed AM411. The bill is being held in committee. This bill will be held over for the 2022 session.

LB636 (Cavanaugh, J) Eliminate cash bail bonds, appearance bonds, and related provisions. Relating to criminal procedure, cash bail bonds, appearance bonds, and all related provisions would be eliminated. A judge would be able to release a defendant on personal recognizance. In determining this, the judge would be able to take into account, among other things, the nature and circumstances of the offense, yet to be collected evidence, alleged victims, potential witnesses, or members of the general public, the defendant's family ties, employment, the length of the defendant's residence in the community, the defendant's record of criminal convictions, and the defendant's record of appearances at court proceedings or of flight to avoid prosecution or of failure to appear at court proceedings. Other considerations for releasing someone on personal recognizance are listed in detail. The approval or denial process is also described.

The hearing on this bill was held on March 4, 2021 before the Judiciary Committee. The bill is being held in committee. This bill will be held over for the 2022 session.

LB236 (Brewer) Permit counties to authorize carrying concealed weapons as prescribed. Counties would have the power to authorize the permit-less carrying of concealed weapons for all persons not otherwise prohibited from possessing or carrying such weapons under state or federal law.

The committee amendment would require that counties consult with their sheriff before passing the sort of ordinance contemplated by LB 236. It would also require persons engaged in the lawful permit-less carrying of a concealed weapon to immediately inform any emergency responder in the event of an official contact. Finally, the amendment limits the power to pass a permit-less carry ordinance to those counties that do not contain a city of the metropolitan or primary class.

Sarpy County and its law enforcement community have expressed concern. On April 14, 2021, Senator Brewer filed his amendment to change the language to counties of greater than 100,000. That amendment was attached with our report from April 15, 2021.

On Friday, May 7, 2021, Senator Brewer received an opinion from Attorney General Doug Peterson that I have attached. The opinion concluded that the bill was unconstitutional. As such, Senator Tom Brewer has filed an amendment, AM1388 that would strike all provisions of the bill and insert the provisions of the following bills that are summarized - LB85, LB244, LB173 (as amended). LB85 would require Nebraska State Patrol to provide notice of expiration of concealed handgun permits. At least 4 months before expiration of a permit to carry a concealed handgun, the Nebraska State Patrol would send to the permit holder by US mail or electronically notice of expiration of the permit. LB244 states that the renewal would be able to be applied for no earlier than 4 months before expiration of the permit and no later than 30 business days after the date of expiration of the concealed carry permit. LB173 is a bill relating to firearms, the offense of carrying a concealed weapon would not apply to possessing, carrying, transporting, shipping, or receiving a firearm for any lawful purpose to or from any place where such firearm may be lawfully possessed or carried by a person if such firearm is unloaded and stored in a case and such person is not otherwise prohibited by state or federal law from possessing, carrying, transporting, shipping, or receiving a firearm.

On Tuesday, Senator Ben Hansen offered, and the Legislature adopted an amendment that updated Nebraska's schedule of controlled substances. The bill has been moved to Final Reading.

This concludes our report for this week.

The amendment also adds metropolitan utility districts and regional metropolitan transit authorities to the list of political subdivisions that may utilize virtual conferencing for their public meetings. For entities holding virtual meetings with multiple locations for public participation, the amendment adds a requirement that each meeting site be attended by at least one member of the public entity or their designee. There is also a revision clarifying that the documents that must be made available at each meeting site are those documents "being considered at" the meeting. The amendment would require an emergency declaration by the Governor under section 81-829.39 to trigger emergency meeting procedures under the bill. 	Counties would have the power to authorize the carrying of concealed weapons for all persons not otherwise prohibited from possessing or carrying such weapons under state or federal law.				
	The committee amendment would require that counties consult with their sheriff before passing the sort of ordinance contemplated by LB 236. It would also require persons engaged in the lawful permitless carrying of a concealed weapon to immediately inform any emergency responder in the event of an official contact. Finally, the amendment limits the power to pass a permitless carry ordinance to those counties that do not contain a city of the metropolitan or primary class. Senator Brewer filed AM874 that would revise the limitation on which counties could enact an ordinance to only those counties with less than 100,000 people.				
	On May 10, 2021, the Attorney General issued an opinion indicating that LB236 is unconstitutional. As such, Senator Tom Brewer has filed an amendment, AM1388 that would strike all provisions of the bill and insert the provisions of the following bills that are summarized - LB85, LB244, LB173 (as amended). LB85 would require Nebraska State Patrol to provide notice of expiration of concealed handgun permits. At least 4 months before expiration of a permit to carry a concealed handgun, the Nebraska State Patrol would send to the permit holder by US mail or electronically notice of expiration of the permit. LB244 states that the renewal would be able to be applied for no earlier than 4 months before expiration of the permit and no later than 30 business days after the date of expiration of the concealed carry permit. LB173 is a bill relating to firearms, the offense of carrying a concealed weapon would not apply to possessing, carrying, transporting, shipping, or receiving a firearm for any lawful purpose to or from any place where such firearm may be lawfully possessed or carried by a person if such firearm is unloaded and stored in a case and such person is not otherwise prohibited by state or federal law from possessing, carrying, transporting, shipping, or receiving a firearm.

	<p>This bill would adopt the 24/7 Sobriety Program Act. Each county, through its county sheriff, would be able to participate in a 24/7 sobriety program. If a sheriff is unwilling or unable to participate in a 24/7 sobriety program, the sheriff would be able to designate an entity willing to provide the service. This program would meet at least the following minimum requirements: (a) testing would occur either twice a day or every day at a testing location or locations established by the county sheriff or a designated entity or continuously with a continuous alcohol monitoring device or similar technology, (b) participants would enter into a participation agreement with the sheriff or designated entity, and (c) participants would not consume alcohol or any drug not prescribed by a physician. Sanctions for violations of the program would be according to best practices. If a person is enrolled in a 24/7 sobriety program under this Act and has not violated any program conditions for drugs or alcohol after 30 consecutive days of testing, such person would be able to apply for a 24/7 sobriety program permit as a condition of bail under the 24/7 Sobriety Program Act. Such permit would expire at the same time as the later of any administrative license revocation being served.</p> <p>AM490 would add new language to Sections 5, 8, and 11. Section 3 and 4 would amend Sec. 43-407 and Sec. 43-408 and replace Section 2 of the original bill. Rather than allow OJS to transfer juveniles without court involvement, these sections would create a new process for an emergency hearing. The existing process for transferring a juvenile to an inpatient or subacute residential treatment facility or to another YRTC would stay in place. These sections would authorize OJS to file a motion for emergency change that must be heard by a court within 24 hours and allow the court to grant the temporary change pending the full hearing when it is in the best interests of the juvenile. LB72 was amended by AM14 and amended into LB 274 by Committee Amendment AM427. LB72 is a bill brought by Senator Geist to allow the sale of mixed drinks or cocktails for consumption off the premises, as is currently allowed by Executive Order 20-09. 	<p>LB 578 was amended by AM 314 and amended into LB 274 by Committee Amendment AM427. LB 578 creates a new statutory category of alcoholic beverage, the ready-to-drink cocktail. The definition of ready-to-drink cocktail means a beverage containing spirits in an original package which contains twelve and one-half percent or less alcohol by volume. Currently, Nebraska taxes these as distilled spirits, at a rate of \$3.75 per gallon. LB 578 proposes to tax ready-to-drink cocktails at thirty-one cents (\$0.31) per gallon, separating them from the distilled spirits category and tax rate. AM 314 replaces LB 578 and sets the excise tax rate on ready-to-drink cocktails at ninety-five cents (\$0.95) per gallon. It adds the term "confection" to the definition of ready-to-drink cocktails, and it also provides authority for the Liquor Control Commission to adopt and promulgate rules and regulations pertaining to the production and sale of ready-to-drink cocktails as is necessary. AM427 also attaches an emergency clause in Section 18.</p> <p>Several amendments to the bill were adopted on Select File. AM870 would increase the threshold for microdistillers from the current statutory limit of 10,000 gallons to 100,000 gallons. Lowes AM667 is the compromise amendment that would allow for drive through purchases of alcoholic beverages after the end of the pandemic. Geist's AM668 was a compromise amendment with Senator John Cavanaugh on those locations allowing for to-go cocktails. The retailer would have to notify the commission at time of renewal of their license.</p> <p>On Final Reading, Senator John Lowe returned LB274 to Select File for AM1071 that was an agreed-to amendment that made the effective date of July 1, 2021 for the new taxation rate of ready-to-drink cocktails.</p> <p>Nebraska Association of County Officials position: Watch Nebraska Liquor Control Commission position: Support League of Nebraska Municipalities position: Support</p>				<p>Geist AM668 filed Hilkemann AM646 filed Enrollment and Review ER18 filed Placed on Select File with ER18 Hilkemann MO12 Recommit to Committee filed Cavanaugh, J. LB408	(Briese) Adopt the Property Tax Request Act	Oppose	Revenue	01/27/2021	General File 03/02/2021 Geist Priority Bill
	<p>This bill would adopt the Property Tax Request Act and is the statutory equivalent of LR22CA. Definitions are included for approved bonds, political subdivision, property tax request, and real growth value. A political subdivision's property tax request for any year would not exceed its property tax request in the prior year by more than 3%, except as otherwise provided in this section. A political subdivision would be able to exceed the limit provided in this section by an amount approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. The limit in this section would not apply to that portion of a political subdivision's property tax request that is needed to pay the principal and interest on approved bonds and that will be derived from the real growth value for the political subdivision.</p> <p>The Committee Amendment becomes the bill. The changes from LB408, as introduced are noted below. All other provisions from LB408 are included in the Committee Amendment. Section 4 (Page 4, Lines 19-31 through Page 6, Lines 1-14) that a political subdivision's property tax request in any year shall not exceed its request authority. Request authority shall be equal to the political subdivision's tax request from the prior year multiplied by 103%.</p> <p>By a majority vote of a political subdivision's governing board, the political subdivision may exceed the 3% limit for no more than 2 consecutive years. If this situation occurs, the property tax request of the political subdivision shall be reduced to ensure the increase in the property tax request does not exceed 9% over a 3-year period. The 3-year period will be measured using the year when the political subdivision exceeds the 3% limit as the first year. If the vote to exceed the 3% limit is for 2 consecutive years, the 3-year period shall be measured twice using each of the 2 consecutive years as the first year of the applicable 3-year period. The 3% limit shall not apply to a political subdivision's property tax request that will be derived from the real growth value of the political subdivision.</p> <p>A political subdivision that chooses not to increase its property tax request by the full 3% may carry forward one-half of its unused request authority to future years as carryover request authority. Carryover request authority may be used in future years to increase the political subdivision's tax request above the 3% limit. The 3% limit shall apply to property tax requests set in 2022 through 2027. The 3% limit shall not longer apply to property tax request set in 2028 and thereafter. Section 13-506 is amended to require the presentation required at a budget hearing shall also include information showing the political subdivision is in compliance with the Property Tax Request Act.</p> <p>Douglas County Board of Commissioners position: Bill of High Concern Nebraska Association of School Boards position: Follow</p>				<p>Blood AM616 filed Hilkemann AM1078 filed Blood AM619 filed DeBoer AM746 filed DeBoer AM1037 filed Hunt AM1076 filed Hunt AM1061 filed Friesen AM1089 filed Briese MO45 failed Morfeld MO43 Recommit to the Revenue Committee filed Briese MO45 Invoke cloture pursuant to Rule 7, Section 10 filed Hansen, M. 	<p>This bill would adopt the School Property Tax Stabilization Act. On or before 9/15/2021, the State Department of Education would determine the total school property tax stabilization payment to be paid to each eligible school district for the 2021-22 school fiscal year. On or before 6/30/2022 and each year thereafter, the Department would do the same for the ensuing year. A school district would be eligible for a school property tax stabilization payment if the school district property tax requirement exceeds 75% for the formula need calculated for such school district for the school fiscal year for which a total school property tax stabilization payment is being calculated. LB455	(Friesen) Adopt the Broadband Pole Attachment Act		Transportation and Telecommunications	02/08/2021	In Committee 01/20/2021
	LB455 would adopt the Broadband Pole Attachment Act, which is intended to promote the deployment of broadband services. Each electric utility must: charge rates and fees for attachments to utility poles by communications service providers that are just, reasonable, and nondiscriminatory regardless of the services furnished; make the electric utility's easements available to a communications service provider and, where necessary, obtain expansions of such easements to accommodate the communications service provider's attachments on a nondiscriminatory and competitively neutral basis; establish terms and conditions for attachments to utility poles by any communications service provider that are nondiscriminatory, competitively neutral, commercially reasonable, and consistent with federal laws and regulations; if consistent with the National Electrical Safety Code, rearrange, expand, replace, or otherwise reengineer any utility pole upon the request of a communications service provider if necessary to accommodate the communications service provider's new attachment. If the replacement of a utility pole is necessary pursuant to this subdivision, an electric utility shall not require reimbursement of costs associated with such pole replacement from a communications service provider beyond recovery of the electric utility's actual and reasonable costs of advancing the retirement of the existing utility pole. Such costs shall be measured by the net book value of the existing utility pole plus the incremental cost, if any, of installing a utility pole with greater capacity than the utility pole such electric utility would have installed in the normal course of its operations, and any other incremental costs proved by the electric utility, except that such incremental costs shall in no event include any costs associated with the installation of a utility pole the electric utility would have installed at the same location; complete utility pole replacement or other make-ready work within 90 days of receipt of a complete attachment request from a communications service provider; allow a communications service provider or its designee to use boxing techniques, extension arms, attachments below existing attachments where space is unavailable above existing attachments, temporary attachments, or other methods or equipment, except that such use shall comply with the National Electrical Safety Code or other applicable safety codes; not require a communications service provider to comply with utility pole attachment specifications or requirements that exceed National Electrical Safety Code specifications, applicable fire safety codes, or any building code or similar code of general applicability for the protection of public health, safety, or welfare that were adopted by the applicable local governmental jurisdiction prior to the filing of a utility pole attachment application, except that any such specifications or requirements adopted by a local governmental jurisdiction that owns or controls an electric utility shall be just, reasonable, and nondiscriminatory. Nothing in this subdivision shall be construed to expand the power of any local governmental jurisdiction; and negotiate in good faith with communications service providers to enter into pole attachment agreements consistent with the Broadband Pole Attachment Act and to conform existing pole attachment agreements to be consistent with the Broadband Pole Attachment Act. Complaints may be filed and disputes resolved with the Public Service Commission. Terms and timelines are established regarding the negotiation of pole attachment agreements. Jurisdictional utilities governed by the Natural Gas Regulation Act will defer to the provisions of such act. A servient estate owner would be able to relocate an easement under the Act only if the relocation does not materially lessen the utility of the easement, impair the purposes, safety, physical condition, or value of the interest, increase the burden on the easement holder in its reasonable use and enjoyment of the easement, or disrupt the use and enjoyment of the easement by the easement holder. To obtain an order to relocate an easement under the Act, a servient estate owner would have to commence a civil action. This process is listed in detail. A servient estate owner would be responsible for reasonable expenses of relocation of an easement under the Act.</p> <p>AM 526 is a white copy amendment that would combine four additional bills into LB 501. LB 593 that proposes to adopt the Uniform Foreign-Country Money Judgements Act, LB 470 which would adopt the Uniform Powers of Appointment Act, LB 348 changing provisions relating to succession of real property by affidavit and LB 403 addressing recovery of medical assistance from an estate are added to LB 501.</p> <p>LB 593 would adopt the Uniform Foreign-Country Money Judgements Recognition Act and the Uniform Registration of Canadian Money Judgements Act. These two acts are interrelated and the Canadian Money Act references portions of the Foreign-Country Money Act. The Uniform Foreign-Country Money Judgements Recognition Act establishes a process for local courts to recognize judgements from other countries and provide enforcement provisions. The Uniform Registration of Canadian Money Judgements Act establishes a registration process for Canadian judgements.</p> <p>LB 470 seeks to adopt the Uniform Powers of Appointment Act. Powers of Appointment are an estate planning tool (typically with trusts) that allow appointment of a person to redirect or designate another as the recipient or owner of property. This provides some flexibility as circumstances change over time. The Uniform Act provides a common framework for the structure of the appointment by outlining the creation and exercise of appointment powers rather than the current framework that is based on common law and court decisions.</p>	Judiciary		02/04/2021	Approved by Governor 05/05/2021 Speaker Priority Bill Approved by Governor on May 5, 2021 Presented to Governor on April 29, 2021 President/Speaker signed Passed on Final Reading 47-0-2 Dispensing of reading at large approved Placed on Final Reading with ST11 Advanced to Enrollment and Review for Engrossment Enrollment and Review ER45 adopted Placed on Select File with ER45 Enrollment and Review ER45 filed DeBoer name added Morfeld AM794 adopted Judiciary AM526 adopted Advanced to Enrollment and Review Initial Flood AM671 adopted Morfeld AM794 filed Flood AM671 filed Speaker priority bill Judiciary AM526 filed Placed on General File with AM526 Notice of hearing for February 04, 2021 Referred to Judiciary Committee Date of introduction

LB561	<p>(Briese) Rename and change powers and duties of the State Racing Commission and provide regulation and enforcement regarding sports wagering and other gambling activities at licensed racetrack enclosures</p> <p>Regarding the State Racing Commission, not later than 60 days after 7/15/2021, the Governor would appoint two additional at-large members who would serve until 3/31/2025, and until a successor is appointed and qualified. Their compensation would be \$1,000 a month, which may be adjusted every two years based on the CPI for Urban Wage Earners and Clerical Workers. No member would be able to have any personal financial interest in any licensed racetrack enclosure or authorized gaming operator as defined in the Nebraska Racetrack Gaming Act for the duration of the member's term. The commission would appoint or employ deputies, investigators, inspectors, agents, security personnel, and other persons as deemed necessary to administer and effectively enforce all provisions of the regulation of horseracing and the Nebraska Racetrack Gaming Act.</p> <p>LB 560 was amended by AM 278 and AM 119 and then was amended into LB 561 as Committee Amendment 426. LB 560 is a bill to bring the necessary statutory structure to enact the voter initiative language that was approved in the November 2020 General Election. This bill combines the Nebraska Gaming Commission created by the voter initiative with the State Racing Commission so that The Nebraska Racing and Gaming Commission can administer both gaming and horseracing regulatory authority. It creates a number of powers and duties for the Commission and it provides for specific penalties for violating the act, specifically for criminal activity such as counterfeiting and cheating at casinos. LB 560 includes necessary definitions and language to properly regulate and implement the Gaming Act as passed by the Nebraska voters.</p> <p>AM 278 is a committee amendment that strikes original section 13 of the bill. It also creates the Racetrack Gaming Fund for the administration of the Racetrack Gaming Act. This amendment also makes a very small technical change to the definition of "Authorized sporting event" in the bill, without changing the definition. AM 119 was also adopted by the committee. This bill makes changes to the Nebraska County and City Lottery Act to allow keno to be played on an electronic ticket as well as paper tickets. Payment for these electronic games is limited to cash, coins, a debit card, or a direct link to an account with a financial institution in the name of the player, and credit cards are not accepted at all. Any purchase of a ticket for a keno game, electronic or in paper, can only be made in person at the location of the lottery operator or licensed location. Reasonable safeguards must be approved by the department to ensure that electronic tickets are only accessible to individuals nineteen years of age or older, and only within the confines of the location detection procedures which establish permitted boundaries for play. Additionally, an easy and obvious method for a player to make a complaint must be posted at the location where the licensed operator is selling keno tickets.</p> <p>On the First Round of Final Reading, an amendment was filed by Speaker Hilgers that struck the provisions dealing with electronic keno. The amendment was adopted the bill resent to Final Reading.</p> <p>On the Second Round of Final Reading, a compromise amendment was filed by Senator Lathrop that did three things: First, it provides for regulation of keno in Casinos in the same way that keno in your cities is regulated now (length of games etc). Second, requires that sports betting be done in a Casino either at a terminal or via an individual. No electronic betting. Third, it prohibits betting on in state sports contests involving an instate college or university. Thus, no betting on Nebraska or Creighton games (or others) where they are in Nebraska.</p> <p>Nebraska Horseman's Association position: Support</p>	General Affairs	02/01/2021	Final Reading 05/18/2021 General Affairs Priority Bill

LB568	<p>(Pansing Brooks) Change provisions relating to truancy, juvenile courts, the Community-based Juvenile Services Aid Program, the Commission Grant Program, and compulsory education</p> <p>This bill would accommodate for excessive absenteeism from juveniles. When a county attorney received a referral from a school that a juvenile is excessively absent, after a school has made a brief assessment, the county attorney would work with the school to refer the juvenile and his or her family to community-based resources available to address the juvenile's behaviors, provide crisis intervention, and maintain the juvenile safely in the home.</p> <p>The majority of the changes in LB568 are to replace the term "truancy" with "excessive absenteeism". Section 4 would amend Sec. 43-247 to remove school truancy from the juvenile court's (3)(b) jurisdiction. This section would clarify that a juvenile court may address excessive absenteeism in other cases, but is no longer an independent basis for juvenile court jurisdiction. Section 9 would amend Sec. 43-260.03 to add providing services to juveniles with excessive absences from school to the goals of juvenile pretrial diversion programs. Section 10 would amend Sec. 43-260.04, Section 11 would amend Sec. 43-260.05, Section 12 would amend Sec. 43-274, and Section 13 would amend Sec. 43-276 to include and harmonize references to allow juvenile diversion programs to offer such services. Section 16 would amend Sec. 43-2404.02 to expand the allowable uses of the Community-based Juvenile Services Aid distributed to counties to include reducing the risk of juveniles coming into contact with the juvenile justice system. Section 17 would amend Sec. 43-2404.03 to change the intent of the Legislature to appropriate \$10 million per year to the Community-based Juvenile Services Aid Program. The current stated amount is \$5 million. Section 18 would amend Sec. 43-2405 to make a change related to applicants for Community-based Juvenile Services Aid. Under current law, the applicants (counties and tribes) are allowed to "give consideration to contracting with private nonprofit agencies for the provision of programs". This section would eliminate the reference to "private nonprofit". The effect of this change is unclear. LB644	(Hansen, B.) Adopt the Property Tax Request Act, change dates relating to tax levies, and change provisions relating to property tax refunds This bill would adopt the Property Tax Request Act. A political subdivision would be able to set its property tax request at an amount that exceeds its property tax request in the prior year if (a) a public hearing is held and notice of such hearing is provided in compliance with any rules in this section, and (b) the governing body of such political subdivision passes a resolution or an ordinance that complies with this section. Each political subdivision within a county that seeks to set its property tax request at an amount that exceeds its property tax request in the prior year would participate in a joint public hearing. The hearing process is described in detail. Any resolution or ordinance setting a property tax request under this section would be certified and forwarded to the county clerk on or before October 15th of the year for which the tax request is to apply. The Committee advanced the bill with AM755. The amendment changes the political subdivisions that are affected by this bill to be: a county, city, school district, or community college. If the political subdivision includes area in more than one county, the county in which the principal headquarters are located will be the location of the joint public hearing. 	<p>Between General and Select File, parties negotiated an agreement on the bill. That compromise was embodied in AM1019. The amendment provides that if a county, city, school district, or community college decides to increase its property tax request by more than the allowable growth percentage, those political subdivisions need to hold a joint public hearing. Allowable growth percentage is defined as a percentage equal to the sum of 2% plus the political subdivision's real growth percentage.</p> <p>Real growth percentage means the percentage obtained by dividing the political subdivision's real growth value by the political subdivision's total real property valuation from the prior year. Real growth value includes the increase in a political subdivision's real property valuation from the prior year to the current year due to: improvements to real property because of new construction and additions to existing buildings, any other improvements to real property which increase the value of such property, annexation of real property by the political subdivision, and a change in the use of real property; and the annual increase in the excess value for any tax increment financing project. Excess value means an amount equal to the assessed value of the real property included in a TIF project minus the redevelopment project valuation. This includes both inflationary growth and the increase in the valuation because of the improvements. The amendment also defines the terms property tax request, redevelopment project valuation and tax increment financing project.</p> <p>The amendment clarifies that only counties with a population of greater than 25,000 inhabitants are required to post notice of the joint public hearing on their website. The amendment provides an outline on the process for the county to collect the information to be included on the postcard and mail the postcard 7 calendar days before the joint public hearing. The cost of creating and mailing the postcards, including staff time, materials, and postage will be divided among the political subdivisions participating in the joint public hearing.</p> <p>The timeline for the joint public hearing and the filing of the budget is also changed. The joint public hearing is required to be held on or after September 17th and prior to September 29th. The date to file the budget is changed to September 30th. The deadline for the county board of equalization to levy necessary taxes is changed to "on or before October 20th." Clarifying changes suggested by the State Auditor's office are also made regarding the levy requests to the county board of equalization.</p> <p>The amendment clarifies that each political subdivision will designate one representative to attend the joint public hearing on behalf of the political subdivision. Also clarified is that the joint public hearing will be held after 6 p.m. local time. The amendment provides that any member of the public will be allowed to speak at the joint public hearing and will be given a reasonable amount of time to do so. This language is consistent with language regarding the public speaking at the hearing on the proposed budget statement. The amendment adds language that an inadvertent failure to comply with the Property Tax Request Act shall not invalidate the property tax request or constitute an unauthorized levy. Also, the failure of a taxpayer to receive a postcard shall not invalidate the property tax request or constitute an unauthorized levy.</p> <p>Finally, the amendment requires the county clerk or his or her designee to prepare a report of the joint public hearing that includes the names of the representatives from the political subdivisions and the names and addresses of each person who speaks at the joint public hearing and the name of any organization they represent. The report needs to be delivered to the political subdivisions participating in the joint public hearing within 10 days after the hearing.</p> <p>Nebraska Association of School Boards position: Oppose Nebraska State Chamber position: Support Nebraska Association of County Officials position: Oppose Greater Nebraska Schools Association position: Oppose - Testify League of Nebraska Municipalities position: Oppose</p>				<p>Halloran AM854 adopted Wayne FA17 withdrawn Halloran AM854 pending Halloran AM854 filed Halloran AM854 pending Revenue AM755 pending McCollister name added Revenue AM755 filed Placed on General File with AM755 Hansen, B. priority bill Notice of hearing for February 10, 2021 Referred to Revenue Committee Date of introduction</p>

	<p>The committee amendment adds language to the bill ratifying actions taken by public bodies in reliance on Governor's executive orders issued during the coronavirus pandemic. The amendment also adds metropolitan utility districts and regional metropolitan transit authorities to the list of political subdivisions that may utilize virtual conferencing for their public meetings. For entities holding virtual meetings with multiple locations for public participation, the amendment adds a requirement that each meeting site be attended by at least one member of the public entity or their designee. There is also a revision clarifying that the documents that must be made available at each meeting site are those documents "being considered at" the meeting. The amendment would require an emergency declaration by the Governor under section 81-829.39 to trigger emergency meeting procedures under the bill. Finally, the amendment provides an exception to an address publication requirement in instances where that address requirement may endanger a person's security.</p> <p>Douglas County position: Support Nebraska Association of School Boards position: Support ESU Coordinating Council position: Support Nebraska Council of School Administrators position: Support Nebraska Rural Community Schools Association position: Support</p> <p>Nebraska State Education Association: Neutral Schools Taking Action for Nebraska Children Education position: Support Nebraska Association of County Officials position: Support</p>				<p>Flood AM750 filed Placed on Select File with ER23 Enrollment and Review ER23 filed Government, Military and Veterans Affairs AM127 adopted Advanced to Enrollment and Review Initial Government, Military and Veterans Affairs priority bill Hansen, M. name added Government, Military and Veterans Affairs AM127 filed Placed on General File with AM127 Cavanaugh, M. name added Brandt name added Notice of hearing for January 27, 2021 Blood name added Hunt name added Referred to Government, Military and Veterans Affairs Committee Date of introduction</p>

The existing process for transferring a juvenile to an inpatient or subacute residential treatment facility or to another YRTC would stay in place. These sections would authorize OJS to file a motion for emergency change that must be heard by a court within 24 hours and allow the court to grant the temporary change pending the full hearing when it is in the best interests of the juvenile. 	<p>The General Affairs Committee advanced LB274 with COMAM427 which included two additional bills, as amended by the Committee: LB72 and LB578. LB72 was amended by AM14 and amended into LB 274 by Committee Amendment AM427. LB72 is a bill brought by Senator Geist to allow the sale of mixed drinks or cocktails for consumption off the premises, as is currently allowed by Executive Order 20-09. This bill would make this policy permanent for those holding a Class C or a Class I liquor license. These pre-made cocktails and other alcoholic beverages must be sold in a sealed, tamper-evident container, and not partially consumed, for consumption off the premises of the liquor license holder, meaning to-go or take-out. AM14 provides Farm Winery licenses be included with the bill to afford these license holders the same options to sell to-go drinks in sealed containers as the other two licenses listed in the original bill.</p> <p>LB 578 was amended by AM 314 and amended into LB 274 by Committee Amendment AM427. LB 578 creates a new statutory category of alcoholic beverage, the ready-to-drink cocktail. The definition of ready-to-drink cocktail means a beverage containing spirits in an original package which contains twelve and one-half percent or less alcohol by volume. Currently, Nebraska taxes these as distilled spirits, at a rate of \$3.75 per gallon. LB 578 proposes to tax ready-to-drink cocktails at thirty-one cents (\$0.31) per gallon, separating them from the distilled spirits category and tax rate. AM 314 replaces LB 578 and sets the excise tax rate on ready-to-drink cocktails at ninety-five cents (\$0.95) per gallon. It adds the term "confection" to the definition of ready-to-drink cocktails, and it also provides authority for the Liquor Control Commission to adopt and promulgate rules and regulations pertaining to the production and sale of ready-to-drink cocktails as is necessary. AM427 also attaches an emergency clause in Section 18.</p> <p>Several amendments to the bill were adopted on Select File. AM870 would increase the threshold for microdistillers from the current statutory limit of 10,000 gallons to 100,000 gallons. Lowes AM667 is the compromise amendment that would allow for drive through purchases of alcoholic beverages after the end of the pandemic. Geist's AM668 was a compromise amendment with Senator John Cavanaugh on those locations allowing for to-go cocktails. The retailer would have to notify the commission at time of renewal of their license.</p> <p>On Final Reading, Senator John Lowe returned LB274 to Select File for AM1071 that was an agreed-to amendment that made the effective date of July 1, 2021 for the new taxation rate of ready-to-drink cocktails.</p> <p>Nebraska Association of County Officials position: Watch Nebraska Liquor Control Commission position: Support League of Nebraska Municipalities position: Support</p>				<p>Advanced to Enrollment and Review for Engrossment Groene AM870 adopted Hilkemann AM646 withdrawn Hilkemann AM646 pending Lowe AM667 adopted Enrollment and Review ER18 adopted Geist AM668 adopted Lowe AM667 filed Geist AM668 filed Hilkemann AM646 filed Enrollment and Review ER18 filed Placed on Select File with ER18 Hilkemann MO12 Recommit to Committee filed Cavanaugh, J. LB307	<p>(Pansing Brooks) Change provisions relating to transfer of a case to juvenile court and appointment of counsel for juveniles</p> <p>Relating to juveniles, the court would not accept a juvenile's waiver of the right to counsel unless the county attorney or city attorney, on the record, waives any possible pre-adjudication or post-adjudication placements of the juvenile outside of the juvenile's home. If the court accepts the juvenile's waiver of counsel, the court order and any probation order would affirmatively show that the juvenile cannot be removed from the home or detained outside the home by the court on the adjudicated petition. This would apply to any period between adjudication and disposition, any period of probation, or in response to an alleged violation of probation on the adjudicated petition. The county attorney or city attorney would be able to withdraw such attorney's waiver under this section prior to the adjudication of the petition, and at such time the juvenile would be appointed counsel. On or before 7/1/2022, the Supreme Court would provide, by court rule, a process to ensure that juveniles are provided the opportunity to consult with counsel to assist the juvenile in making the decision to waive counsel. A juvenile's right to be represented by counsel would be able to be waived for any adjudication on a juvenile petition that may be used later to enhance or sustain a criminal conviction in an adult proceeding.</p> <p>AM273 would delete the requirement that the prosecutor waive out-of-home placement.</p> <p>Nebraska County Attorneys Association Position: Oppose Nebraska Association of County Officials position: Oppose</p>		Judiciary	01/28/2021	<p>Final Reading 05/04/2021 Pansing Brooks Priority Bill</p> <p>Placed on Final Reading with ST17 Advanced to Enrollment and Review for Engrossment Lathrop AM1081 adopted Hilgers FA39 filed Groene AM1161 withdrawn Geist AM1108 adopted Hilgers FA39 adopted Lathrop AM1081 filed Groene AM1161 filed Placed on Select File Hansen, M. name added Groene AM898 withdrawn Judiciary AM273 adopted Advanced to Enrollment and Review Initial Flood AM882 withdrawn Groene AM898 filed Flood AM882 filed Pansing Brooks priority bill Judiciary AM273 filed Placed on General File with AM273 Notice of hearing for January 28, 2021 Referred to Judiciary Committee Date of introduction</p>

LB408	(Briese) Adopt the Property Tax Request Act	Oppose	Revenue	01/27/2021	General File 03/02/2021 Geist Priority Bill
	<p>This bill would adopt the Property Tax Request Act and is the statutory equivalent of LR22CA. Definitions are included for approved bonds, political subdivision, property tax request, and real growth value. A political subdivision's property tax request for any year would not exceed its property tax request in the prior year by more than 3%, except as otherwise provided in this section. A political subdivision would be able to exceed the limit provided in this section by an amount approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. The limit in this section would not apply to that portion of a political subdivision's property tax request that is needed to pay the principal and interest on approved bonds and that will be derived from the real growth value for the political subdivision.</p> <p>The Committee Amendment becomes the bill. The changes from LB408, as introduced are noted below. All other provisions from LB408 are included in the Committee Amendment. Section 4 (Page 4, Lines 19-31 through Page 6, Lines 1-14) that a political subdivision's property tax request in any year shall not exceed its request authority. Request authority shall be equal to the political subdivision's tax request from the prior year multiplied by 103%.</p> <p>By a majority vote of a political subdivision's governing board, the political subdivision may exceed the 3% limit for no more than 2 consecutive years. If this situation occurs, the property tax request of the political subdivision shall be reduced to ensure the increase in the property tax request does not exceed 9% over a 3-year period. The 3-year period will be measured using the year when the political subdivision exceeds the 3% limit as the first year. If the vote to exceed the 3% limit is for 2 consecutive years, the 3-year period shall be measured twice using each of the 2 consecutive years as the first year of the applicable 3-year period. The 3% limit shall not apply to a political subdivision's property tax request that will be derived from the real growth value of the political subdivision.</p>				<p>Blood AM616 filed Hilkemann AM1078 filed Blood AM619 filed DeBoer AM746 filed DeBoer AM1037 filed Hunt AM1076 filed Hunt AM1061 filed Friesen AM1089 filed Briese MO45 failed Morfeld MO43 Recommit to the Revenue Committee filed Briese MO45 Invoke cloture pursuant to Rule 7, Section 10 filed Hansen, M. 	<p>LB 570 changes certain Department of Health and Human Services model pilot project evaluation periods and are included in section 2 of AM 566. Section 2 would require the Legislature to complete an evaluation of the States privatization of child welfare case management services in the Eastern Service Area by December 31, 2021. The bill would authorize the Legislature to hire a consultant to assist in completing the evaluation. The emergency clause applies to section 2 to facilitate the completion of the study by the end-of-year deadline.</p> <p>LB 425 requires the Department of Health and Human Services to complete a needs assessment and cost analysis for an inpatient adolescent psychiatric unit and are included in section 4 of AM 566. Section 4 would require the Department of Health and Human Services [DHHS] to contract for the completion of a needs assessment and cost analysis for the establishment of an inpatient adolescent psychiatric unit housed within the Lincoln Regional Center. Under section 83-106 as currently enacted, the completion of such a study is permissive. Section 4 strikes the permissive language in subsection [1] of section 83-106 and inserts language requiring DHHS to contract with an outside consultant with expertise in needs assessment and cost analysis of health care facilities, within 60 days of the effective date, for the completion of the needs assessment and cost analysis. The department is required to submit a report with the results of the study to the Health and Human Services Committee and the Clerk of the Legislature on or before December 15, 2021. The report shall contain: [1] A needs assessment, including the number of adolescents expected to use such inpatient adolescent psychiatric unit; [2] The cost of opening an existing facility at the Lincoln Regional Center for use as an inpatient adolescent psychiatric unit; [3] The cost of reopening the facility at the Lincoln Regional Center, including the costs for necessary construction, upgrades, or repairs; [4] Annual operating costs of such unit, including, but not limited to, any federal funds available to operate the unit in addition to General Fund appropriations; and [5] Cost savings realized by moving adolescents from out-of-state institutions back to Nebraska for treatment at such unit. The emergency clause applies to section 4 to facilitate the completion of the needs assessment and cost analysis by the December 15 deadline.</p> <p>LB 427 states intent that substance abuse and behavioral health treatment for juveniles by the Department of Health and Human Services not be delayed and are included in section 5 of AM 566. Section 5 inserts new language in section 83-107.01, the section of statute which lists of the official names of institutions under the supervision of the Department of Health and Human Services and states certain requirements. The new language states the Legislatures intent that that no such institution at which DHHS provides inpatient or subacute substance abuse or behavioral health residential treatment for juveniles under the jurisdiction of a juvenile court shall delay such treatment to a juvenile when such treatment has been determined necessary after placement at a youth rehabilitation and treatment center [under subsection [2] of section 43-407] or has been ordered by a juvenile court.</p> <p>During Select File consideration of the bill, AM1315 was offered by Senator John Arch and adopted by the Legislature. 	<p>This bill would adopt the School Property Tax Stabilization Act. On or before 9/15/2021, the State Department of Education would determine the total school property tax stabilization payment to be paid to each eligible school district for the 2021-22 school fiscal year. On or before 6/30/2022 and each year thereafter, the Department would do the same for the ensuing year. A school district would be eligible for a school property tax stabilization payment if the school district property tax requirement exceeds 75% for the formula need calculated for such school district for the school fiscal year for which a total school property tax stabilization payment is being calculated. The requirement for each district would equal the formula need minus the sum of the amount to be distributed pursuant to the Tax Equity and Educational Opportunities Act and other actual receipts for which a total school property tax stabilization payment is being calculated. The school property tax stabilization base would equal the amount by which the requirement exceeds the difference of 75% of the formula need minus the sum of the amount to be distributed pursuant to the Tax Equity and Educational Opportunities Act and other actual receipts for such school district. The total payment to be paid to an eligible school district would equal the school property tax stabilization base for such school district multiplied by 50%. The applicable percentage for agricultural and horticultural land to be used for school district taxation purposes would be 65 for tax year 2022 and 55 for tax years 2023 and after. The applicable percentage range for other property to be used for school district taxation purposes would be 59 to 65 for tax year 2022 and 49 to 55 for tax years 2023 and after. For agricultural and horticultural land, the adjusted valuation used for the calculation of aid for school FY prior to 2022-23, 72% of actual value (followed by 62% for FY 2022-23 and 52% for FY 2023-24 and after).</p> <p>The Revenue Committee advanced LB454 with AM789. The amendment creates the School Property Tax Stabilization Act. School districts that qualify for a school property tax stabilization payment will receive the payment in 10 equal installments beginning on the last business day in September and through the last business day in June. School districts receiving less than \$1,000 total payment will receive the lump sum on the last business day in December.</p> <p>The total school property tax stabilization payment paid to an eligible school district will be equal to 50% of the school property tax stabilization base. The school property tax stabilization base shall equal the amount the eligible school district's property tax requirement exceeds 70% of the formula need calculated for school fiscal year 2012-22; 65% of the formula need for school fiscal year 2022-23; 65% of the formula need for school fiscal year 2022-23; 60% of the formula need for school fiscal year 2023-24; and 55% of the formula need for school fiscal year 2024-25 and each school fiscal year thereafter.</p> <p>The school district property tax requirement will be equal to the formula need calculated for each school district minus the sum of the amount of TEEOSA Aid and other actual receipts. To be eligible for the school property tax stabilization payment, the property tax requirement for the school district must exceed 70% of the formula need calculated for school fiscal year 2021-22; 65% of the formula need calculated for school fiscal year 2022-23; 60% of the formula need for school fiscal year 2023-24 and 55% of formula need for school fiscal year 2021-25 and each school fiscal year thereafter.</p> <p>The Department of Education will determine the total school property tax stabilization payments for each eligible school district in school year 2021-22 on or before September 15, 2021. For each school year thereafter, the Department of Education will determine the total school property tax stabilization payments on or before June 30.</p> <p>All monies received from the School Property Tax Stabilization Act shall be shown as budgeted non-property-tax receipts and deducted prior to calculating the property tax request in the local system's general fund budget statement as provided to the Auditor of Public Accounts. The amendment contains intent language to appropriate the funds necessary to carry out the School Property Tax Stabilization Act; and to fully fund the Tax Equity and Educational Opportunities Support Act before funding the School Property Tax Stabilization Act.</p>				<p>Failed to advance to Enrollment and Review Initial Revenue AM789 adopted Wayne AM1234 lost Wayne AM1234 reoffered Friesen AM1231 withdrawn Wayne AM1234 withdrawn Wayne AM1234 filed Wayne FA43 filed Revenue AM789 pending Friesen AM1231 pending Friesen AM1231 filed Brewer name added Revenue AM789 filed Placed on General File with AM789 Brandt name added Friesen priority bill Albrecht name added Notice of hearing for February 11, 2021 Referred to Revenue Committee Date of introduction</p>

LB474	(Wishart) Adopt the Medicinal Cannabis Act		Judiciary	03/10/2021	General File 03/31/2021 Wishart Priority Bill
	<p>This bill would adopt the Medicinal Cannabis Act. Any school, health care facility or health care service licensed pursuant to the Health Care Facility Licensure Act, licensed child care facility, or foster care facility would be able to adopt reasonable restrictions on the use of cannabis by students, residents, or persons receiving care or services, including that (a) the school, facility, or service and agents thereof are not responsible for providing the cannabis, (b) cannabis may not be inhaled using vaporization, and (c) cannabis may be consumed only in a place specified by the school, facility, or service. The department would establish and maintain a voluntary registry program for patients and caregivers. A certified patient or nonresident would be able to engage in the medicinal use of cannabis and not be subject to any civil penalties. The application and registration process is listed in detail. A producer of cannabis would provide a reliable and ongoing supply of cannabis needed for the registry program. Prior to dispensing any cannabis, a dispensary would verify that the person requesting the distribution of cannabis is a certified patient, a designated caregiver, a nonresident patient, or a nonresident caregiver using verification procedures prescribed by the department. The Medicinal Cannabis Regulation Fund would be created for purposes of regulation of cannabis and administration of this Act.</p> <p>The Judiciary Committee advanced LB474 with an amendment - AM824. AM 824 makes two changes to the original version of LB 474. First it replaces section 24, which defined qualifying medical condition as any illness for which cannabis might provide relief with a list of specific diseases or conditions. A servient estate owner would be able to relocate an easement under the Act only if the relocation does not materially lessen the utility of the easement, impair the purposes, safety, physical condition, or value of the interest, increase the burden on the easement holder in its reasonable use and enjoyment of the easement, or disrupt the use and enjoyment of the easement by the easement holder. To obtain an order to relocate an easement under the Act, a servient estate owner would have to commence a civil action. This process is listed in detail. A servient estate owner would be responsible for reasonable expenses of relocation of an easement under the Act.</p> <p>AM 526 is a white copy amendment that would combine four additional bills into LB 501. LB 593 that proposes to adopt the Uniform Foreign-Country Money Judgements Act, LB 470 which would adopt the Uniform Powers of Appointment Act, LB 348 changing provisions relating to succession of real property by affidavit and LB 403 addressing recovery of medical assistance from an estate are added to LB 501.</p> <p>LB 593 would adopt the Uniform Foreign-Country Money Judgements Recognition Act and the Uniform Registration of Canadian Money Judgements Act. These two acts are interrelated and the Canadian Money Act references portions of the Foreign-Country Money Act. The Uniform Foreign-Country Money Judgements Recognition Act establishes a process for local courts to recognize judgements from other countries and provide enforcement provisions. The Uniform Registration of Canadian Money Judgements Act establishes a registration process for Canadian judgements.</p> <p>.</p> <p>LB 470 seeks to adopt the Uniform Powers of Appointment Act. Powers of Appointment are an estate planning tool (typically with trusts) that allow appointment of a person to redirect or designate another as the recipient or owner of property. This provides some flexibility as circumstances change over time. The Uniform Act provides a common framework for the structure of the appointment by outlining the creation and exercise of appointment powers rather than the current framework that is based on common law and court decisions.</p> <p>LB 348 makes changes to the affidavit process in small (less than \$50 K) estate situations involving real property. The bill would allow just one successor claimant to file the affidavit and would list all other potential claimants within the affidavit. Currently all successor claimants must sign the affidavit. The bill also modifies the value of the property by adjusting the value to 100% of market value rather than the current assessed value. The proposal also would require a copy of the will (if there is one) to be attached to the affidavit.</p>	Judiciary	02/04/2021	Approved by Governor 05/05/2021 Speaker Priority Bill Approved by Governor on May 5, 2021 Presented to Governor on April 29, 2021 President/Speaker signed Passed on Final Reading 47-0-2 Dispensing of reading at large approved Placed on Final Reading with ST11 Advanced to Enrollment and Review for Engrossment Enrollment and Review ER45 adopted Placed on Select File with ER45 Enrollment and Review ER45 filed DeBoer name added Morfeld AM794 adopted Judiciary AM526 adopted Advanced to Enrollment and Review Initial Flood AM671 adopted Morfeld AM794 filed Flood AM671 filed Speaker priority bill Judiciary AM526 filed Placed on General File with AM526 Notice of hearing for February 04, 2021 Referred to Judiciary Committee Date of introduction

LB561	<p>(Briese) Rename and change powers and duties of the State Racing Commission and provide regulation and enforcement regarding sports wagering and other gambling activities at licensed racetrack enclosures</p> <p>Regarding the State Racing Commission, not later than 60 days after 7/15/2021, the Governor would appoint two additional at-large members who would serve until 3/31/2025, and until a successor is appointed and qualified. Their compensation would be \$1,000 a month, which may be adjusted every two years based on the CPI for Urban Wage Earners and Clerical Workers. No member would be able to have any personal financial interest in any licensed racetrack enclosure or authorized gaming operator as defined in the Nebraska Racetrack Gaming Act for the duration of the member's term. The commission would appoint or employ deputies, investigators, inspectors, agents, security personnel, and other persons as deemed necessary to administer and effectively enforce all provisions of the regulation of horseracing and the Nebraska Racetrack Gaming Act.</p> <p>LB 560 was amended by AM 278 and AM 119 and then was amended into LB 561 as Committee Amendment 426. LB 560 is a bill to bring the necessary statutory structure to enact the voter initiative language that was approved in the November 2020 General Election. This bill combines the Nebraska Gaming Commission created by the voter initiative with the State Racing Commission so that The Nebraska Racing and Gaming Commission can administer both gaming and horseracing regulatory authority. It creates a number of powers and duties for the Commission and it provides for specific penalties for violating the act, specifically for criminal activity such as counterfeiting and cheating at casinos. LB 560 includes necessary definitions and language to properly regulate and implement the Gaming Act as passed by the Nebraska voters.</p> <p>AM 278 is a committee amendment that strikes original section 13 of the bill. It also creates the Racetrack Gaming Fund for the administration of the Racetrack Gaming Act. This amendment also makes a very small technical change to the definition of "Authorized sporting event" in the bill, without changing the definition. AM 119 was also adopted by the committee. This bill makes changes to the Nebraska County and City Lottery Act to allow keno to be played on an electronic ticket as well as paper tickets. Payment for these electronic games is limited to cash, coins, a debit card, or a direct link to an account with a financial institution in the name of the player, and credit cards are not accepted at all. Any purchase of a ticket for a keno game, electronic or in paper, can only be made in person at the location of the lottery operator or licensed location. Reasonable safeguards must be approved by the department to ensure that electronic tickets are only accessible to individuals nineteen years of age or older, and only within the confines of the location detection procedures which establish permitted boundaries for play. Additionally, an easy and obvious method for a player to make a complaint must be posted at the location where the licensed operator is selling keno tickets.</p> <p>On the First Round of Final Reading, an amendment was filed by Speaker Hilgers that struck the provisions dealing with electronic keno. The amendment was adopted the bill resent to Final Reading.</p>	General Affairs	02/01/2021	<p>Final Reading 05/18/2021 General Affairs Priority Bill</p> <p>Placed on Final Reading Third Advanced to Enrollment and Review for Reengrossment Lathrop AM1427 adopted Returned to Select File for specific amendment Lathrop AM1427 filed Placed on Final Reading Second Hilgers AM1256 adopted Advanced to Enrollment and Review for Reengrossment Returned to Select File for specific amendment Hilgers AM1256 filed Placed on Final Reading with ST15 Advanced to Enrollment and Review for Engrossment Pansing Brooks AM807 lost Briese AM983 adopted Pansing Brooks AM807 filed Briese AM982 lost Enrollment and Review ER25 adopted Briese FA13 withdrawn Briese AM983 filed Briese AM982 filed Briese AM863 divided Attorney General Opinion 21-004 to Lowe Briese AM863 filed Briese FA13 filed Notice of hearing for March 29, 2021 on AM639 Enrollment and Review ER25 filed Placed on Select File with ER25 General Affairs AM640 adopted Advanced to Enrollment and Review Initial</p>

	<p>On the Second Round of Final Reading, a compromise amendment was filed by Senator Lathrop that did three things: First, it provides for regulation of keno in Casinos in the same way that keno in your cities is regulated now (length of games etc). Second, requires that sports betting be done in a Casino either at a terminal or via an individual. No electronic betting. Third, it prohibits betting on in state sports contests involving an instate college or university. 	<p>The majority of the changes in LB568 are to replace the term "truancy" with "excessive absenteeism". Section 4 would amend Sec. 43-247 to remove school truancy from the juvenile court's (3)(b) jurisdiction. This section would clarify that a juvenile court may address excessive absenteeism in other cases, but is no longer an independent basis for juvenile court jurisdiction. Section 9 would amend Sec. 43-260.03 to add providing services to juveniles with excessive absences from school to the goals of juvenile pretrial diversion programs. Section 10 would amend Sec. 43-260.04, Section 11 would amend Sec. 43-260.05, Section 12 would amend Sec. 43-274, and Section 13 would amend Sec. 43-276 to include and harmonize references to allow juvenile diversion programs to offer such services. Section 16 would amend Sec. 43-2404.02 to expand the allowable uses of the Community-based Juvenile Services Aid distributed to counties to include reducing the risk of juveniles coming into contact with the juvenile justice system. Section 17 would amend Sec. 43-2404.03 to change the intent of the Legislature to appropriate \$10 million per year to the Community-based Juvenile Services Aid Program. The current stated amount is \$5 million. Section 18 would amend Sec. 43-2405 to make a change related to applicants for Community-based Juvenile Services Aid. Under current law, the applicants (counties and tribes) are allowed to "give consideration to contracting with private nonprofit agencies for the provision of programs". This section would eliminate the reference to "private nonprofit". The effect of this change is unclear. Applicants are not currently specifically restricted from "giving consideration" to agencies that are not private nonprofits.</p> <p>The Committee amendment would change Section 17 to change the increase in Community-based Juvenile Services Aid to \$8.5 million and delay the change until FY2024.</p> <p>Nebraska Association of School Boards position: Follow Nebraska County Attorneys Association Position: Oppose Nebraska Association of County Officials position: Support</p>				<p>Pansing Brooks AM1209 adopted Pansing Brooks AM1209 pending Judiciary AM264 pending Pansing Brooks AM1209 filed Judiciary priority bill Placed on General File with AM264 Judiciary AM264 filed Notice of hearing for February 05, 2021 Referred to Judiciary Committee Date of introduction</p>

LB644	<p>(Hansen, B.) Adopt the Property Tax Request Act, change dates relating to tax levies, and change provisions relating to property tax refunds</p> <p>This bill would adopt the Property Tax Request Act. A political subdivision would be able to set its property tax request at an amount that exceeds its property tax request in the prior year if (a) a public hearing is held and notice of such hearing is provided in compliance with any rules in this section, and (b) the governing body of such political subdivision passes a resolution or an ordinance that complies with this section. Each political subdivision within a county that seeks to set its property tax request at an amount that exceeds its property tax request in the prior year would participate in a joint public hearing. The hearing process is described in detail. Any resolution or ordinance setting a property tax request under this section would be certified and forwarded to the county clerk on or before October 15th of the year for which the tax request is to apply.</p> <p>The Committee advanced the bill with AM755. The amendment changes the political subdivisions that are affected by this bill to be: a county, city, school district, or community college. If the political subdivision includes area in more than one county, the county in which the principal headquarters are located will be the location of the joint public hearing. The information required to be published on the postcard that is mailed to all affected property taxpayers found in Section 4 will now require the date, time and location for the joint public hearing, a listing of each political subdivision that will be participating in the joint public hearing, a telephone number for each political subdivision and the amount of each participating political subdivision's property tax request. Additional information on the postcard will be the name of the county that will be holding the joint public hearing, the parcel number and the name and address of the property owner, the prior year and the current year assessed valuation, the amount of property taxes due in the prior year and the amount of property taxes due for the current year and the change in</p> <p>the amount of property taxes due. The due date for filing the budget with the Auditor of Public Accounts for all political subdivisions is moved to September 27. The operative date remains as January 1, 2022.</p> <p>Between General and Select File, parties negotiated an agreement on the bill. That compromise was embodied in AM1019. The amendment provides that if a county, city, school district, or community college decides to increase its property tax request by more than the allowable growth percentage, those political subdivisions need to hold a joint public hearing. Allowable growth percentage is defined as a percentage equal to the sum of 2% plus the political subdivision's real growth percentage.</p> <p>Real growth percentage means the percentage obtained by dividing the political subdivision's real growth value by the political subdivision's total real property valuation from the prior year. Real growth value includes the increase in a political subdivision's real property valuation from the prior year to the current year due to: improvements to real property because of new construction and additions to existing buildings, any other improvements to real property which increase the value of such property, annexation of real property by the political subdivision, and a change in the use of real property; and the annual increase in the excess value for any tax increment financing project. Excess value means an amount equal to the assessed value of the real property included in a TIF project minus the redevelopment project valuation. This includes both inflationary growth and the increase in the valuation because of the improvements. The amendment also defines the terms property tax request, redevelopment project valuation and tax increment financing project.</p>	Oppose Letter	Revenue	02/10/2021	<p>Final Reading 05/04/2021 Hansen, B. 	<p>The amendment clarifies that only counties with a population of greater than 25,000 inhabitants are required to post notice of the joint public hearing on their website. The amendment provides an outline on the process for the county to collect the information to be included on the postcard and mail the postcard 7 calendar days before the joint public hearing. The cost of creating and mailing the postcards, including staff time, materials, and postage will be divided among the political subdivisions participating in the joint public hearing.</p> <p>The timeline for the joint public hearing and the filing of the budget is also changed. The joint public hearing is required to be held on or after September 17th and prior to September 29th. The date to file the budget is changed to September 30th. The deadline for the county board of equalization to levy necessary taxes is changed to "on or before October 20th." Clarifying changes suggested by the State Auditor's office are also made regarding the levy requests to the county board of equalization.</p> <p>The amendment clarifies that each political subdivision will designate one representative to attend the joint public hearing on behalf of the political subdivision. Also clarified is that the joint public hearing will be held after 6 p.m. local time. The amendment provides that any member of the public will be allowed to speak at the joint public hearing and will be given a reasonable amount of time to do so. This language is consistent with language regarding the public speaking at the hearing on the proposed budget statement. The amendment adds language that an inadvertent failure to comply with the Property Tax Request Act shall not invalidate the property tax request or constitute an unauthorized levy. Also, the failure of a taxpayer to receive a postcard shall not invalidate the property tax request or constitute an unauthorized levy.</p> <p>Finally, the amendment requires the county clerk or his or her designee to prepare a report of the joint public hearing that includes the names of the representatives from the political subdivisions and the names and addresses of each person who speaks at the joint public hearing and the name of any organization they represent. The report needs to be delivered to the political subdivisions participating in the joint public hearing within 10 days after the hearing.</p> <p>Nebraska Association of School Boards position: Oppose Nebraska State Chamber position: Support Nebraska Association of County Officials position: Oppose Greater Nebraska Schools Association position: Oppose - Testify League of Nebraska Municipalities position: Oppose</p>

LEGISLATIVE BILL 285

Introduced by Brewer, 43.

Read first time January 12, 2021

Committee: Government, Military and Veterans Affairs

- 1 A BILL FOR AN ACT relating to government; to amend sections 32-329,
2 32-608, 32-1005, and 70-611, Reissue Revised Statutes of Nebraska,
3 and sections 32-330, 32-404, 32-606, 32-816, and 79-1217, Revised
4 Statutes Cumulative Supplement, 2020; to change election provisions
5 relating to voter registration lists and certain notice of filing
6 deadlines, filing periods, filing forms, filing fees, and write-in
7 votes; to change a certification deadline for certain public power
8 districts; to provide a written notice of appointment requirement
9 for educational service units; to eliminate provisions relating to
10 overvoted ballots; to repeal the original sections; and to outright
11 repeal section 32-1006, Reissue Revised Statutes of Nebraska.
12 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 32-329, Reissue Revised Statutes of Nebraska, is
2 amended to read:

3 32-329 (1) The Secretary of State with the assistance of the
4 election commissioners and county clerks shall perform list maintenance
5 with respect to the computerized statewide voter registration list on a
6 regular basis. The list maintenance shall be conducted in a manner that
7 ensures that:

8 (a) The name of each registered voter appears in the computerized
9 list;

10 (b) Only persons who have been entered into the register in error or
11 who are not eligible to vote are removed from the computerized list; and

12 (c) Duplicate names are eliminated from the computerized list.

13 (2) The election commissioner or county clerk shall verify the voter
14 registration register by using (a) the National Change of Address program
15 of the United States Postal Service and a confirmation notice pursuant to
16 subsection (3) of this section or (b) the biennial mailing of a
17 nonforwardable notice to each registered voter. The Secretary of State
18 shall provide biennial training for the election commissioners and county
19 clerks responsible for maintaining voter registration lists. No name
20 shall be removed from the voter registration register for the sole reason
21 that such person has not voted for any length of time.

22 (3) When an election commissioner or county clerk receives
23 information from the National Change of Address program of the United
24 States Postal Service that a registered voter has moved from the address
25 at which he or she is registered to vote, the election commissioner or
26 county clerk shall update the voter registration register to indicate
27 that the voter may have moved and mail a confirmation notice by
28 forwardable first-class mail. If a nonforwardable notice under
29 subdivision (2)(b) of this section is returned as undeliverable, the
30 election commissioner or county clerk shall mail a confirmation notice by
31 forwardable first-class mail. The confirmation notice shall include a

1 confirmation letter and a preaddressed, postage-paid confirmation card.
2 The confirmation letter shall contain statements substantially as
3 follows:

4 (a) The election commissioner or county clerk has received
5 information that you have moved to a different residence address from
6 that appearing on the voter registration register;

7 (b) If you have not moved or you have moved to a new residence
8 within this county, you should return the enclosed confirmation card by
9 the regular registration deadline prescribed in section 32-302. If you
10 fail to return the card by the deadline, you will be required to affirm
11 or confirm your address prior to being allowed to vote. If you are
12 required to affirm or confirm your address, it may result in a delay at
13 your polling place; and

14 (c) If you have moved out of the county, you must reregister to be
15 eligible to vote. This can be accomplished by mail or in person. For
16 further information, contact your local election commissioner or county
17 clerk.

18 (4) The election commissioner or county clerk shall maintain for a
19 period of not less than two years a record of each confirmation letter
20 indicating the date it was mailed and the person to whom it was mailed.

21 (5) If information from the National Change of Address program or
22 the nonforwardable notice under subdivision (2)(b) of this section
23 indicates that the voter has moved outside the jurisdiction and the
24 election commissioner or county clerk receives no response to the
25 confirmation letter and the voter does not offer to vote at any election
26 held prior to and including the second statewide federal general election
27 following the mailing of the confirmation notice, the voter's
28 registration shall be canceled and his or her name shall be deleted from
29 the voter registration register.

30 (6) In the event that the Secretary of State becomes a member of a
31 nongovernmental entity whose purpose is to share and exchange information

1 in order to improve the accuracy and efficiency of voter registration
2 systems, information received by the Secretary of State from such
3 nongovernmental entity is exempt from disclosure as a public record
4 pursuant to sections 84-712 to 84-712.09 and any other provision of law,
5 except that the Secretary of State may provide such information to the
6 election commissioners and county clerks to conduct voter registration
7 list maintenance activities.

8 Sec. 2. Section 32-330, Revised Statutes Cumulative Supplement,
9 2020, is amended to read:

10 32-330 (1) Except as otherwise provided in subsection (3) of section
11 32-301, the voter registration register shall be a public record. Any
12 person may examine the register at the office of the election
13 commissioner or county clerk, but no person other than the Secretary of
14 State, the election commissioner, the county clerk, or law enforcement
15 shall be allowed to make copies of the register. Copies of the register
16 shall only be used for list maintenance as provided in section 32-329 or
17 law enforcement purposes. The electronic records of the original voter
18 registrations created pursuant to section 32-301 may constitute the voter
19 registration register. The Secretary of State, election commissioner, or
20 county clerk shall withhold information in the register designated as

22 available to the public and no list distributed pursuant to this section

25 shall make available a list of registered voters that contains no more
26 than the information authorized in subsection (3) of this section and, if
27 requested, a list that only contains such information for registered
28 voters who have voted in an election held more than thirty days prior to
29 the request for the list. The Secretary of State, election commissioner,
30 or county clerk shall establish the price of the lists at a rate that
31 fairly covers the actual production cost of the lists, not to exceed

1 three cents per name. Lists shall be used solely for purposes related to
2 elections, political activities, voter registration, law enforcement, or
3 jury selection. Lists shall not be posted, displayed, or used for
4 commercial purposes or made accessible on the Internet.

5 (3)(a) The Secretary of State, election commissioner, or county
6 clerk shall withhold from any list of registered voters distributed
7 pursuant to subsection (2) of this section any information in the voter
8 registration records which is designated as confidential under section
9 32-331 or marked private on the voter registration application or voter
10 registration record.

11 (b) Except as otherwise provided in subdivision (a) of this
12 subsection, a list of registered voters distributed pursuant to
13 subsection (2) of this section shall contain no more than the following
14 information:

- 15 (i) The registrant's name;

29 (4) Any person who acquires a list of registered voters under
30 subsection (2) of this section shall provide his or her name, address,
31 telephone number, email address, and campaign committee name or

1 organization name, if applicable, and the state of organization, if

7 Section 1. Section 2-3213, Reissue Revised Statutes of Nebraska, is
8 amended to read:

9 2-3213 (1) Except as provided in subsections (2), ~~and (3),~~ and (4)
10 of this section, each district shall be governed by a board of directors
11 of five, seven, nine, eleven, thirteen, fifteen, seventeen, nineteen, or
12 twenty-one members. The board of directors shall determine the number of
13 directors and in making such determination shall consider the complexity
14 of the foreseeable programs and the population and land area of the
15 district. Districts shall be political subdivisions of the state, shall
16 have perpetual succession, and may sue and be sued in the name of the
17 district.

18 (2) Except as provided by subsection (7) of this section, at At
19 least six months prior to the primary election, the board of directors of
20 any natural resources district may change the number of directors for the
21 district and may change subdistrict boundaries to accommodate the
22 increase or decrease in the number of directors.

23 (3) The board of directors shall utilize the criteria found in
24 subsection (1) of this section and in subsection (2) of section 2-3214
25 when changing the number of directors. Except as provided in subsection
26 (6) ~~(5)~~ of this section, no director's term of office shall be shortened
27 as a result of any change in the number of directors. Any reduction in
28 the number of directors shall be made as directors take office during the
29 two succeeding elections or more quickly if the reduction can be made by
30 not filling vacancies on the board and if desired by the board. If
31 necessary to preserve staggered terms for directors when the reduction in

1 number is made in whole or in part through unfilled vacancies, the board
2 may provide for a one-time election of one or more directors for a two-
3 year term. The board of directors shall inform the Secretary of State
4 whenever any such one-time elections have been approved. Notwithstanding
5 subsection (1) of this section, the district may be governed by an even
6 number of directors during the two-year transition to a board of reduced
7 number.

8 (4) ~~(3)~~ Whenever any change of boundaries, division, or merger
9 results in a natural resources district director residing in a district
10 other than the one to which such director was elected to serve, such
11 director shall automatically become a director of the board of the
12 district in which he or she then resides. Except as provided in
13 subsection (6) ~~(5)~~ of this section, all such directors shall continue to
14 serve in office until the expiration of the term of office for which they
15 were elected. Directors or supervisors of other special-purpose districts
16 merged into a natural resources district shall not become members of the
17 natural resources district board but may be appointed as advisors in
18 accordance with section 2-3228. No later than six months after any
19 change, division, or merger, each affected board, in accordance with the
20 procedures and criteria found in this section and section 2-3214, shall
21 determine the number of directors for the district as it then exists, the
22 option chosen for nomination and election of directors, and, if
23 appropriate, new subdistrict boundaries.

24 (5) ~~(4)~~ To facilitate the task of administration of any board
25 increased in size by a change of boundaries or merger, such board may
26 appoint an executive committee to conduct the business of the board in
27 the interim until board size reductions can be made in accordance with
28 this section. An executive committee shall be empowered to act for the
29 full board in all matters within its purview unless specifically limited
30 by the board in the establishment and appointment of the executive
31 committee.

1 (6) ~~(5)~~ Notwithstanding the provisions of section 2-3214 and
2 subsections ~~(3)~~ and (4) and (5) of this section, the board of directors
3 of any natural resources district established by merging two or more
4 districts in their entirety may provide that all directors be nominated
5 and elected at the first primary and general elections following the year
6 in which such merger becomes effective. In districts which have one
7 director elected from each subdistrict, each director elected from an
8 even-numbered subdistrict shall be elected for a two-year term and each
9 director from an odd-numbered district and any member to be elected at
10 large shall be elected for a four-year term. In districts which have two
11 directors elected from each subdistrict, the four candidates receiving
12 the highest number of votes at the primary election shall be carried over
13 to the general election, and at such general election the candidate
14 receiving the highest number of votes shall be elected for a four-year
15 term and the candidate receiving the second highest number of votes shall
16 be elected for a two-year term. Thereafter each director shall be elected
17 for a four-year term.

18 (7) Following the release of the 2020 Census of Population data by
19 the United States Department of Commerce, Bureau of the Census, any
20 natural resources district that will have a change to the number of
21 directors as a result of any adjustment to the boundaries of election
22 districts shall provide to the election commissioner or county clerk (a)
23 written notice of the need and necessity of his or her office to perform
24 such adjustments and (b) a revised election district boundary map that
25 has been approved by the board of directors and subjected to all public
26 review and challenge ordinances of the natural resources district by
27 December 30, 2021.

28 Sec. 2. Section 2-3214, Reissue Revised Statutes of Nebraska, is
29 amended to read:

30 2-3214 (1) District directors shall be elected as provided in
31 section 32-513. Elections shall be conducted as provided in the Election

1 Act. Registered voters residing within the district shall be eligible for
2 nomination as candidates for any at-large position or, in those districts
3 that have established subdistricts, as candidates from the subdistrict
4 within which they reside.

5 (2) The board of directors may choose to: (a) Nominate candidates
6 from subdistricts and from the district at large who shall be elected by
7 the registered voters of the entire district; (b) nominate and elect each
8 candidate from the district at large; or (c) nominate and elect
9 candidates from subdistricts of substantially equal population except
10 that any at-large candidate would be nominated and elected by the
11 registered voters of the entire district. Unless the board of directors
12 determines that the nomination and election of all directors will be at
13 large, the board shall strive to divide the district into subdistricts of
14 substantially equal population, except that no subdistrict shall have a
15 population greater than three times the population of any other
16 subdistrict within the district. Such subdistricts shall be consecutively
17 numbered and shall be established with due regard to all factors
18 including, but not limited to, the location of works of improvement and
19 the distribution of population and taxable values within the district.
20 Except as provided by subsection (7) of this section, the ~~The~~ boundaries
21 and numbering of such subdistricts shall be designated at least six
22 months prior to the primary election. Unless the district has been
23 divided into subdistricts with substantially equal population, all
24 directors shall be elected by the registered voters of the entire
25 district and all registered voters shall vote on the candidates
26 representing each subdistrict and any at-large candidates. If a district
27 has been divided into subdistricts with substantially equal population,
28 the board of directors may determine that directors shall be elected only
29 by the registered voters of the subdistrict except that an at-large
30 director may be elected by registered voters of the entire district.

31 (3) Except in districts which have chosen to have a single director

1 serve from each subdistrict, the number of subdistricts for a district
2 shall equal a number which is one less than a majority of directors for
3 the district. In districts which have chosen to have a single director
4 serve from each subdistrict, the number of subdistricts shall equal a
5 number which is equal to the total number of directors of the district or
6 which is one less than the total number of directors for the district if
7 there is an at-large candidate. If the number of directors to be elected
8 exceeds the number of subdistricts or if the term of the at-large
9 director expires in districts which have chosen to have a single director
10 serve from each subdistrict, candidates may file as a candidate from the
11 district at large. Registered voters may each cast a number of votes not
12 larger than the total number of directors to be elected.

13 (4) Elected directors shall take their oath of office in the same
14 manner provided for county officials.

15 (5) At least six months prior to the primary election, the board of
16 directors may choose to have a single director serve from each
17 subdistrict.

18 (6) The board of directors shall certify to the Secretary of State
19 and the election commissioners or county clerks the number of directors
20 to be elected at each election and the length of their terms as provided
21 in section 32-404.

22 (7) Following the release of the 2020 Census of Population data by
23 the United States Department of Commerce, Bureau of the Census, any board
24 of directors requesting the adjustment of the boundaries of election
25 districts shall provide to the election commissioner or county clerk (a)
26 written notice of the need and necessity of his or her office to perform
27 such adjustments and (b) a revised election district boundary map that
28 has been approved by the board and subjected to all public review and
29 challenge ordinances of the natural resources district by December 30,
30 2021.

31 Sec. 18. Since an emergency exists, this act takes effect when

- 1 passed and approved according to law.
- 2 2. Renumber the remaining sections and correct the repealer
- 3 accordingly.

20 (2) This subsection applies to charter amendments submitted before
21 December 31, 2021. Following the release of the 2020 Census of Population
22 data by the United States Department of Commerce, Bureau of the Census,
23 as required by Public Law 94-171, any public power district seeking an
24 amendment to its charter shall submit the proposed amendment to the
25 Nebraska Power Review Board on or before December 17, 2021. If the
26 proposed amendment is in proper form, the Nebraska Power Review Board
27 shall give conditional approval of the amendment on or before December
28 30, 2021. The approval process provided in subsection (1) of this section
29 shall occur concurrent with the conditional approval process. If a
30 protest, complaint, or objection is filed and a hearing is set, any
31 decision from the Nebraska Power Review Board rejecting the amendment

1 shall be decided and notification provided to the Secretary of State by
2 March 1, 2022. Immediately upon receiving such notification, the
3 Secretary of State shall notify all election commissioners and county
4 clerks responsible for such elections within the public power district
5 that the conditionally approved boundaries were rejected and that the
6 previous boundaries shall be used for the primary and general elections.

7 Section 1. Section 2-3213, Reissue Revised Statutes of Nebraska, is
8 amended to read:

9 2-3213 (1) Except as provided in subsections (2), ~~and (3), and (4)~~
10 of this section, each district shall be governed by a board of directors
11 of five, seven, nine, eleven, thirteen, fifteen, seventeen, nineteen, or
12 twenty-one members. The board of directors shall determine the number of
13 directors and in making such determination shall consider the complexity
14 of the foreseeable programs and the population and land area of the
15 district. Districts shall be political subdivisions of the state, shall
16 have perpetual succession, and may sue and be sued in the name of the
17 district.

18 (2) Except as provided by subsection (7) of this section, at At
19 least six months prior to the primary election, the board of directors of
20 any natural resources district may change the number of directors for the
21 district and may change subdistrict boundaries to accommodate the
22 increase or decrease in the number of directors.

23 (3) The board of directors shall utilize the criteria found in
24 subsection (1) of this section and in subsection (2) of section 2-3214
25 when changing the number of directors. Except as provided in subsection
26 (6) ~~(5)~~ of this section, no director's term of office shall be shortened
27 as a result of any change in the number of directors. Any reduction in
28 the number of directors shall be made as directors take office during the
29 two succeeding elections or more quickly if the reduction can be made by
30 not filling vacancies on the board and if desired by the board. If
31 necessary to preserve staggered terms for directors when the reduction in

1 number is made in whole or in part through unfilled vacancies, the board
2 may provide for a one-time election of one or more directors for a two-
3 year term. The board of directors shall inform the Secretary of State
4 whenever any such one-time elections have been approved. Notwithstanding
5 subsection (1) of this section, the district may be governed by an even
6 number of directors during the two-year transition to a board of reduced
7 number.

8 (4) ~~(3)~~ Whenever any change of boundaries, division, or merger
9 results in a natural resources district director residing in a district
10 other than the one to which such director was elected to serve, such
11 director shall automatically become a director of the board of the
12 district in which he or she then resides. Except as provided in
13 subsection (6) ~~(5)~~ of this section, all such directors shall continue to
14 serve in office until the expiration of the term of office for which they
15 were elected. Directors or supervisors of other special-purpose districts
16 merged into a natural resources district shall not become members of the
17 natural resources district board but may be appointed as advisors in
18 accordance with section 2-3228. No later than six months after any
19 change, division, or merger, each affected board, in accordance with the
20 procedures and criteria found in this section and section 2-3214, shall
21 determine the number of directors for the district as it then exists, the
22 option chosen for nomination and election of directors, and, if
23 appropriate, new subdistrict boundaries.

24 (5) ~~(4)~~ To facilitate the task of administration of any board
25 increased in size by a change of boundaries or merger, such board may
26 appoint an executive committee to conduct the business of the board in
27 the interim until board size reductions can be made in accordance with
28 this section. An executive committee shall be empowered to act for the
29 full board in all matters within its purview unless specifically limited
30 by the board in the establishment and appointment of the executive
31 committee.

1 (6) ~~(5)~~ Notwithstanding the provisions of section 2-3214 and
2 subsections ~~(3)~~ and (4) and (5) of this section, the board of directors
3 of any natural resources district established by merging two or more
4 districts in their entirety may provide that all directors be nominated
5 and elected at the first primary and general elections following the year
6 in which such merger becomes effective. In districts which have one
7 director elected from each subdistrict, each director elected from an
8 even-numbered subdistrict shall be elected for a two-year term and each
9 director from an odd-numbered district and any member to be elected at
10 large shall be elected for a four-year term. In districts which have two
11 directors elected from each subdistrict, the four candidates receiving
12 the highest number of votes at the primary election shall be carried over
13 to the general election, and at such general election the candidate
14 receiving the highest number of votes shall be elected for a four-year
15 term and the candidate receiving the second highest number of votes shall
16 be elected for a two-year term. Thereafter each director shall be elected
17 for a four-year term.

18 (7) Following the release of the 2020 Census of Population data by
19 the United States Department of Commerce, Bureau of the Census, as
20 required by Public Law 94-171, any natural resources district that will
21 have a change to the number of directors as a result of any adjustment to
22 the boundaries of election districts shall provide to the election
23 commissioner or county clerk (a) written notice of the need and necessity
24 of his or her office to perform such adjustments and (b) a revised
25 election district boundary map that has been approved by the board of
26 directors and subjected to all public review and challenge ordinances of
27 the natural resources district by December 30, 2021.

28 Sec. 2. Section 2-3214, Reissue Revised Statutes of Nebraska, is
29 amended to read:

30 2-3214 (1) District directors shall be elected as provided in
31 section 32-513. Elections shall be conducted as provided in the Election

1 Act. Registered voters residing within the district shall be eligible for
2 nomination as candidates for any at-large position or, in those districts
3 that have established subdistricts, as candidates from the subdistrict
4 within which they reside.

5 (2) The board of directors may choose to: (a) Nominate candidates
6 from subdistricts and from the district at large who shall be elected by
7 the registered voters of the entire district; (b) nominate and elect each
8 candidate from the district at large; or (c) nominate and elect
9 candidates from subdistricts of substantially equal population except
10 that any at-large candidate would be nominated and elected by the
11 registered voters of the entire district. Unless the board of directors
12 determines that the nomination and election of all directors will be at
13 large, the board shall strive to divide the district into subdistricts of
14 substantially equal population, except that no subdistrict shall have a
15 population greater than three times the population of any other
16 subdistrict within the district. Such subdistricts shall be consecutively
17 numbered and shall be established with due regard to all factors
18 including, but not limited to, the location of works of improvement and
19 the distribution of population and taxable values within the district.
20 Except as provided by subsection (7) of this section, the ~~The~~ boundaries
21 and numbering of such subdistricts shall be designated at least six
22 months prior to the primary election. Unless the district has been
23 divided into subdistricts with substantially equal population, all
24 directors shall be elected by the registered voters of the entire
25 district and all registered voters shall vote on the candidates
26 representing each subdistrict and any at-large candidates. If a district
27 has been divided into subdistricts with substantially equal population,
28 the board of directors may determine that directors shall be elected only
29 by the registered voters of the subdistrict except that an at-large
30 director may be elected by registered voters of the entire district.

31 (3) Except in districts which have chosen to have a single director

1 serve from each subdistrict, the number of subdistricts for a district
2 shall equal a number which is one less than a majority of directors for
3 the district. In districts which have chosen to have a single director
4 serve from each subdistrict, the number of subdistricts shall equal a
5 number which is equal to the total number of directors of the district or
6 which is one less than the total number of directors for the district if
7 there is an at-large candidate. If the number of directors to be elected
8 exceeds the number of subdistricts or if the term of the at-large
9 director expires in districts which have chosen to have a single director
10 serve from each subdistrict, candidates may file as a candidate from the
11 district at large. Registered voters may each cast a number of votes not
12 larger than the total number of directors to be elected.

13 (4) Elected directors shall take their oath of office in the same
14 manner provided for county officials.

15 (5) At least six months prior to the primary election, the board of
16 directors may choose to have a single director serve from each
17 subdistrict.

18 (6) The board of directors shall certify to the Secretary of State
19 and the election commissioners or county clerks the number of directors
20 to be elected at each election and the length of their terms as provided
21 in section 32-404.

22 (7) Following the release of the 2020 Census of Population data by
23 the United States Department of Commerce, Bureau of the Census, as
24 required by Public Law 94-171, any board of directors requesting the
25 adjustment of the boundaries of election districts shall provide to the
26 election commissioner or county clerk (a) written notice of the need and
27 necessity of his or her office to perform such adjustments and (b) a
28 revised election district boundary map that has been approved by the
29 board and subjected to all public review and challenge ordinances of the
30 natural resources district by December 30, 2021.

3 appropriation or payment of money in a city of the first class shall
4 require for their passage or adoption the concurrence of a majority of
5 all members elected to the city council. The mayor may vote on any such
6 matter when his or her vote will provide the additional vote required to
7 create a number of votes equal to a majority of the number of members

9 vote, be deemed to be a member of the city council.

10 (2)(a) ~~(2)~~ Ordinances of a general or permanent nature in a city of

13 requirement, except that in a city having a commission plan of government
14 such requirement may be suspended by a three-fifths majority vote.

15 (b) Regardless of the form of government, such requirement shall not
16 be suspended for any ordinance for the annexation of territory or the
17 redrawing of boundaries for city council election districts or wards
18 except as otherwise provided in subsection (4) of this section.

19 (c) In case such requirement is suspended, the ordinances shall be
20 read by title or number and then moved for final passage.

21 (d) Three-fourths of the city council members may require a reading
22 of any such ordinance in full before enactment under either procedure set
23 out in this section, except that in a city having a commission plan of
24 government, such reading may be required by a three-fifths majority vote.

25 (3) Ordinances in a city of the first class shall contain no subject
26 which is not clearly expressed in the title, and, except as provided in
27 section 19-915, no ordinance or section thereof shall be revised or

15 sections and chapters or otherwise by a single ordinance without other
16 title.

17 (4) Following the release of the 2020 Census of Population data by
18 the United States Department of Commerce, Bureau of the Census, as
