ACS Information Guide

The American Community Survey (ACS) Information Guide is a comprehensive guide to all things ACS, covering everything from the historical origins of the ACS, to subjects and data products, and data user resources like where to find more in-depth information and help. https://www.census.gov/content/dam/Census/programssurveys/acs/about/ACS Information Guide.pdf

American Community Survey

QuickFacts

QuickFacts provides statistics for all states and counties, and for cities and towns with a population of 5,000 or more.

Narrative Profiles

Narrative Profiles are short, analytic reports derived from the ACS 5-year estimates. Each Narrative Profile covers 15 different topics and provides information to display highlights of select estimates for selected geographic areas.
